*Ultra*

3D PERFORMANCE  
REDEFINES YOUR FLIGHT EXPERIENCE

RS

*Legend*

Thank you for buying GOOSKY products. The RS7 Ultra Helicopter is designed as an easy to use, full featured radio control helicopter capable of all forms of rotary flight. Please read the manual carefully before assembling the model, and follow all precautions and recommendations located within the manual. Be sure to retain the manual for future reference, routine maintenance and tuning.

The RS7 Ultra is a new product developed by GOOSKY. It features the best design available on the Heli market to date, providing flying stability for beginners, full aerobatic capability for advanced fliers, and unsurpassed reliability and customer support.

|  <b>WARNING</b>   | Mishandling due to failure to follow these instructions may result in damage or injury. |
|  <b>CAUTION</b>   | Mishandling due to failure to follow these instructions may result in danger.           |
|  <b>FORBIDDEN</b> | Do not attempt under any circumstances.                                                 |

## IMPORTANT NOTES

R/C helicopters, including The RS7 Ultra are not toys. R/C helicopters utilize various high-tech products and technologies to provide superior performance. Improper use of this product can result in serious injury or even death. Please read this manual carefully before, to be conscious of your own personal safety, the safety of others, and your environment when operating all GOOSKY products.

Manufacturer and seller assume no liability for the operation or the use of this product. Intended for use only by adults with experience flying remote control helicopters at a legal flying field. After the sale of this product we cannot maintain any control over its operation or usage.

We recommend that you obtain the assistance of an experienced pilot before attempting to fly our products for the first time. A local expert is the best way to properly assemble, setup, and fly your model for the first time. RS7 Ultra Helicopter requires a certain degree of skill to operate, and is a consumer item. Any damage or dissatisfaction as a result of accidents or modifications are not covered by any warranty and cannot be returned for repair or replacement. Please contact our distributors for free technical consultation and parts at discounted rates if you experience problems during operation.

## SAFETY NOTES

Fly only in safe areas, away from other people. Do not operate R/C helicopter within the vicinity of homes or crowds of people. R/C helicopter are prone to accidents, failures, and crashes due to a variety of reasons including, lack of maintenance, pilot error, and radio interference. Pilots are responsible for their actions and damage or injury occurring during the operation, or as a result of R/C helicopter.

FORBIDDEN

## LOCATE AN APPROPRIATE LOCATION

R/C helicopters fly at high speed, thus posing a certain degree of potential danger. Choose a legal flying field consisting of flat, smooth ground without obstacles.

Do not fly near buildings, high voltage cables, or trees to ensure the safety of yourself, others and your model.

For the first practice, please choose a legal flying field and use training skids to fly to reduce the damage. Do not fly your model in inclement weather such as rain, snow or darkness.

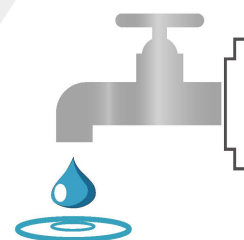

FORBIDDEN

## PREVENT MOISTURE

R/C models are composed of many precision electrical components.

It is critical to keep the model and associated equipment away from moisture and other contaminants. The introduction or exposure to water or moisture in any form can cause the model to malfunction resulting in loss of use, or a crash. Do not operate or expose to rain or moisture.

FORBIDDEN

## FORBIDDEN PREVENT OPERATION

Please use only Goosky parts to ensure the safe operation of your helicopter.

WARNING

## OBTAIN THE ASSISTANCE OF AN EXPERIENCED PILOT

Before turning on your model and transmitter, check to make sure no one else is operating on the same frequency. Frequency interference can cause your model, or other models to crash. The guidance provided by an experienced pilot will be invaluable for the assembly, tuning, trimming, and actual first flight. (We recommend you practice with a computer-based flight simulator.)

WARNING

## SAFE OPERATION

Operate this unit within your ability. Do not fly under impaired conditions and improper operation may cause danger to yourself and others.

CAUTION

## ALWAYS BE AWARE OF THE ROTATING BLADES

During the operation of the helicopter, the main rotor and tail rotor will be spinning at a high rate of speed. The blades are capable of inflicting serious bodily injury and damage to the environment. Be conscious of your actions, and careful to keep your face, eyes, hands, and loose clothing away from the blades. Always fly the model a safe distance from yourself and others, as well as surrounding objects. Never take your eyes off the model or leave it unattended while it is turned on. Immediately turn off the model and transmitter when you have landed model.

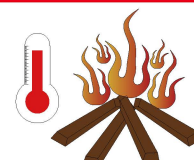

CAUTION

## SAFE OPERATION

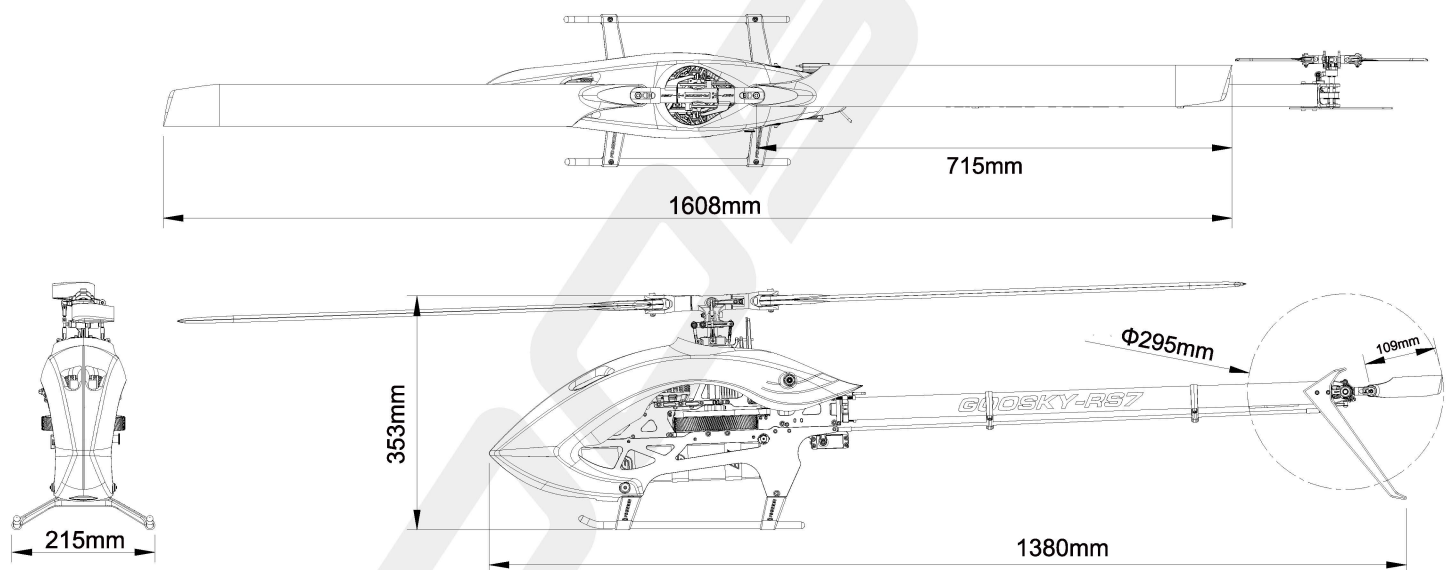

R/C models are made of various forms of plastic is very susceptible to damage or deformation due to extreme heat and cold climate.

Make sure not to store the model near any source of heat such as an oven, or heater. It is best to store the model indoors in a climate-controlled room.

eg: Microlube

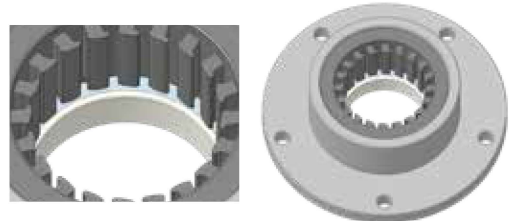

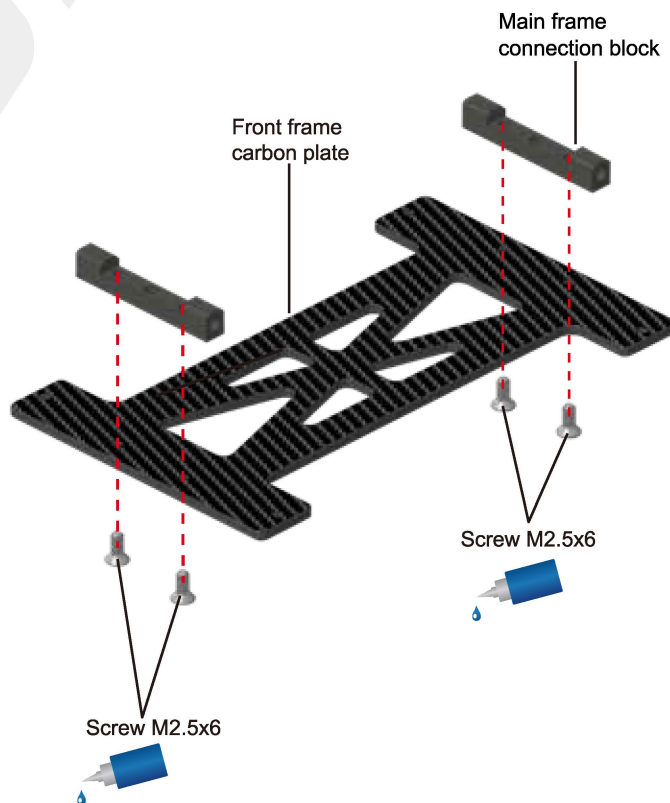

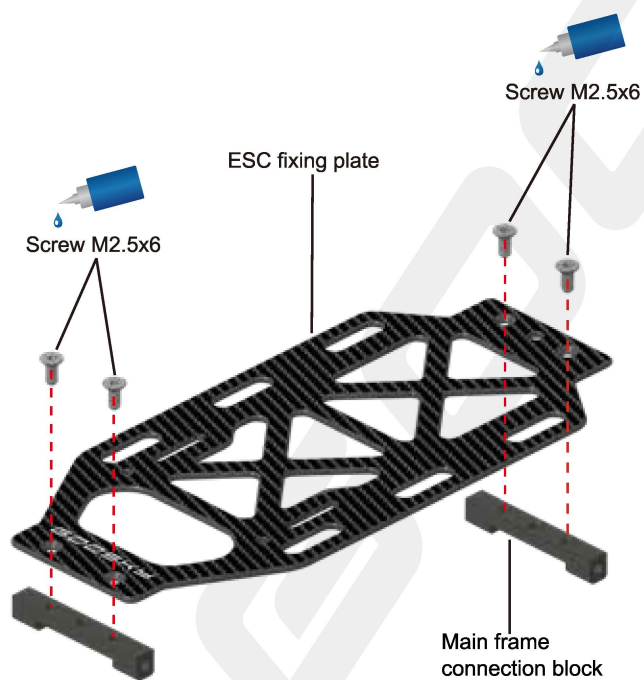

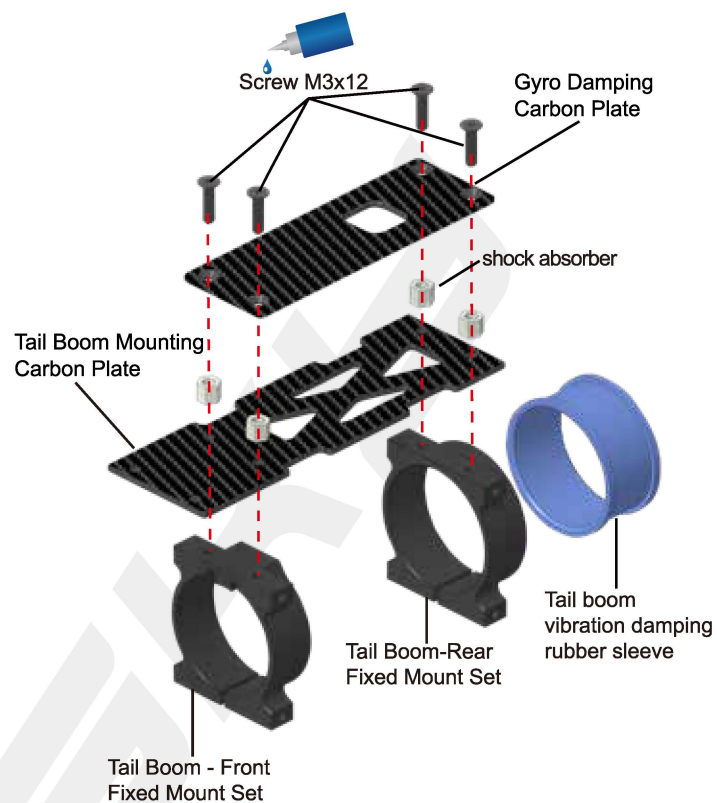

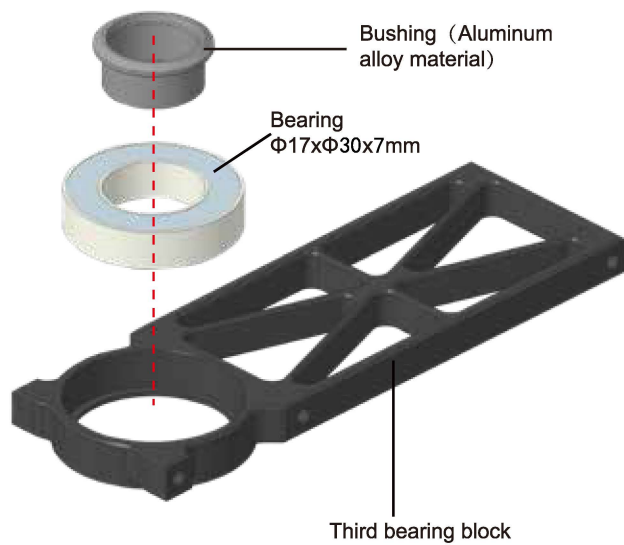

**One way bearing direction(Looking from the top)**

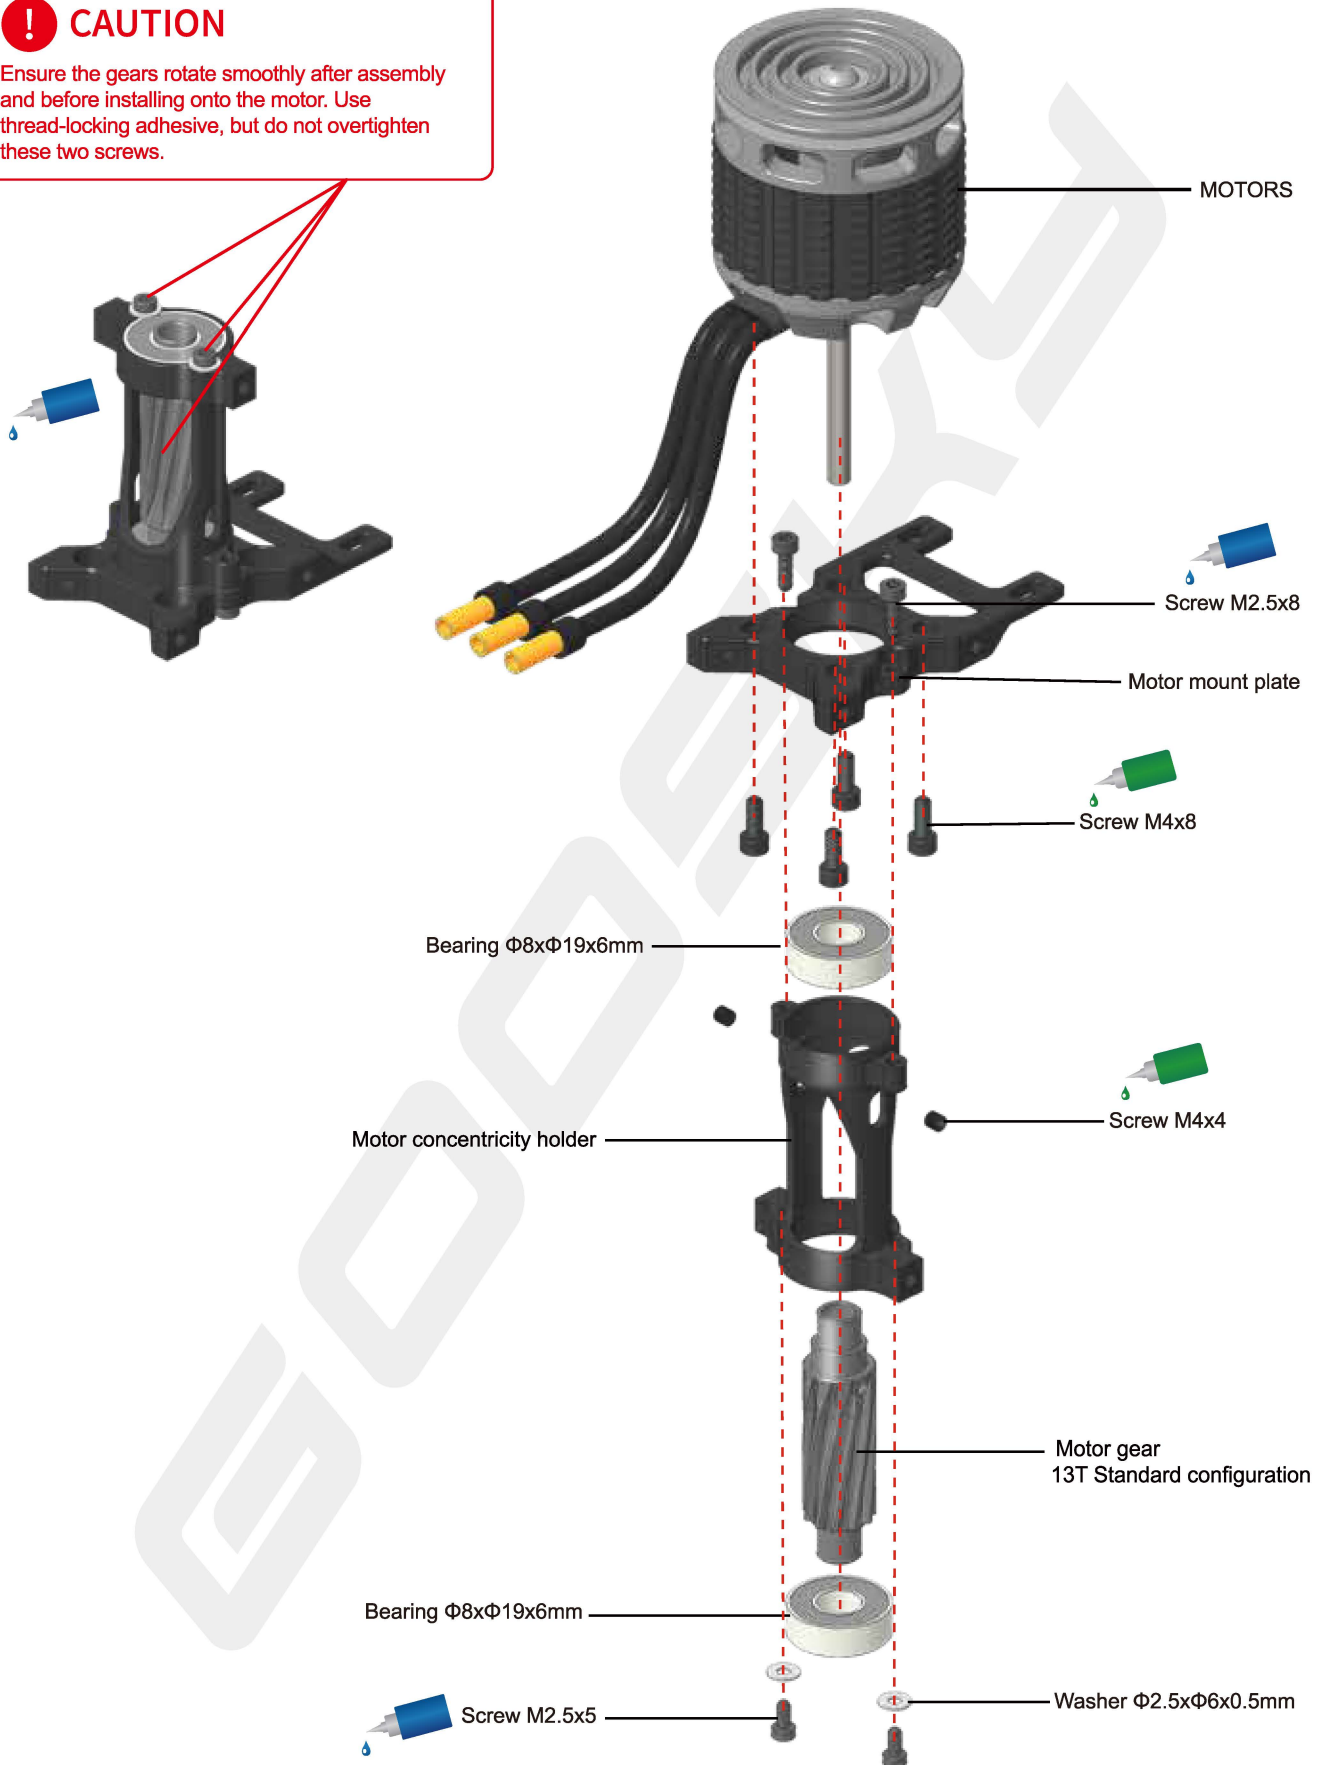

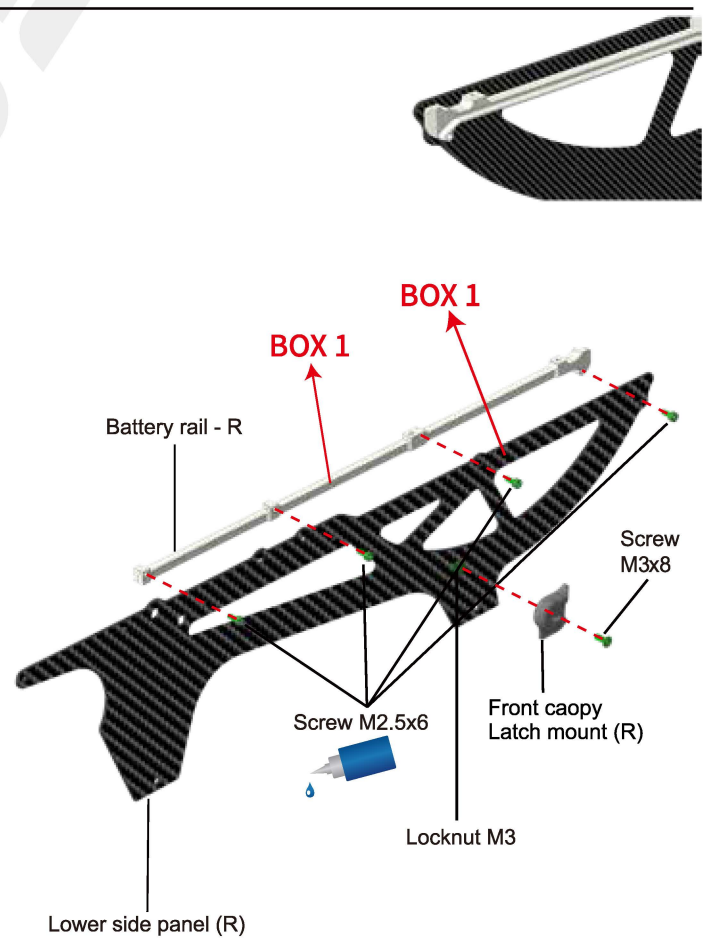

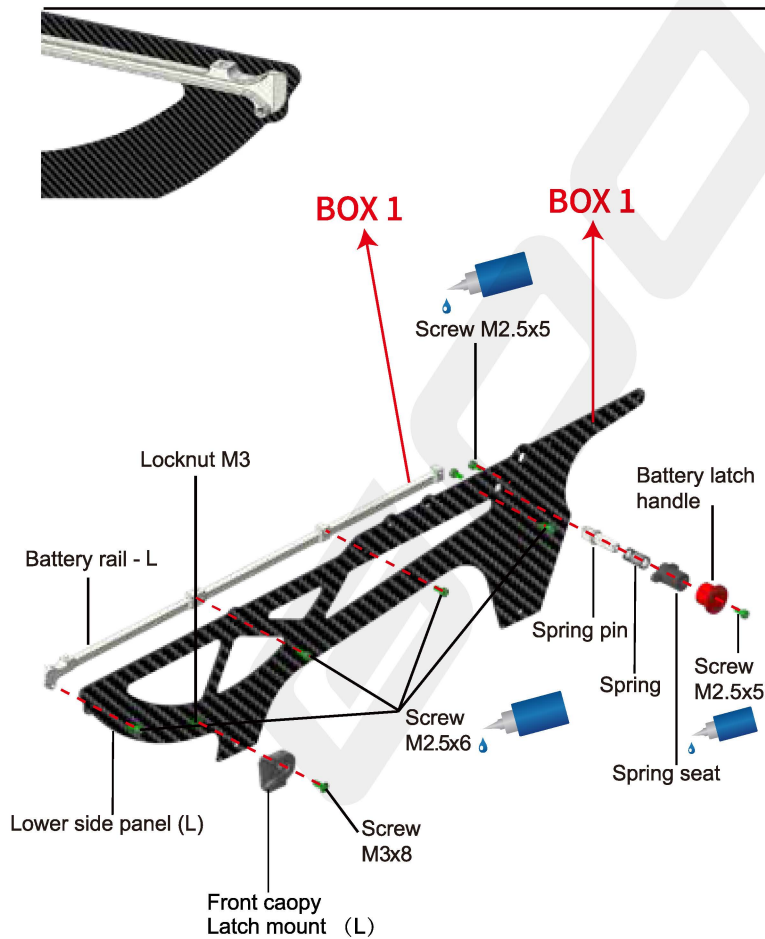

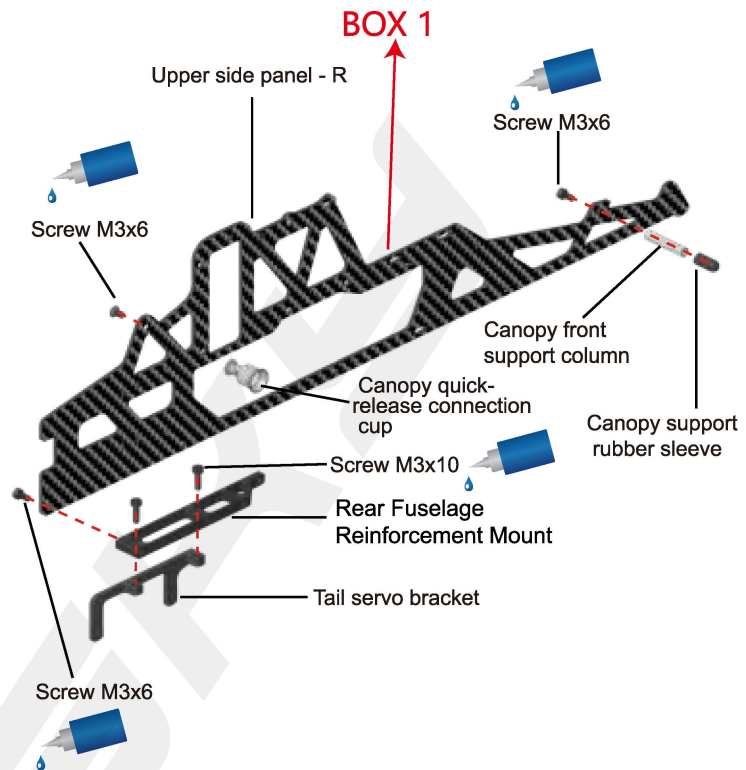

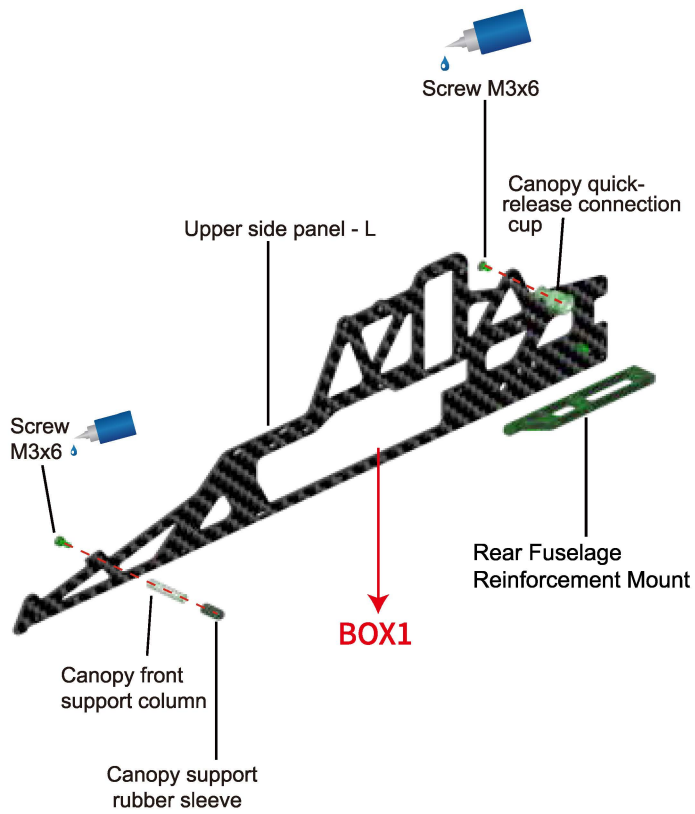

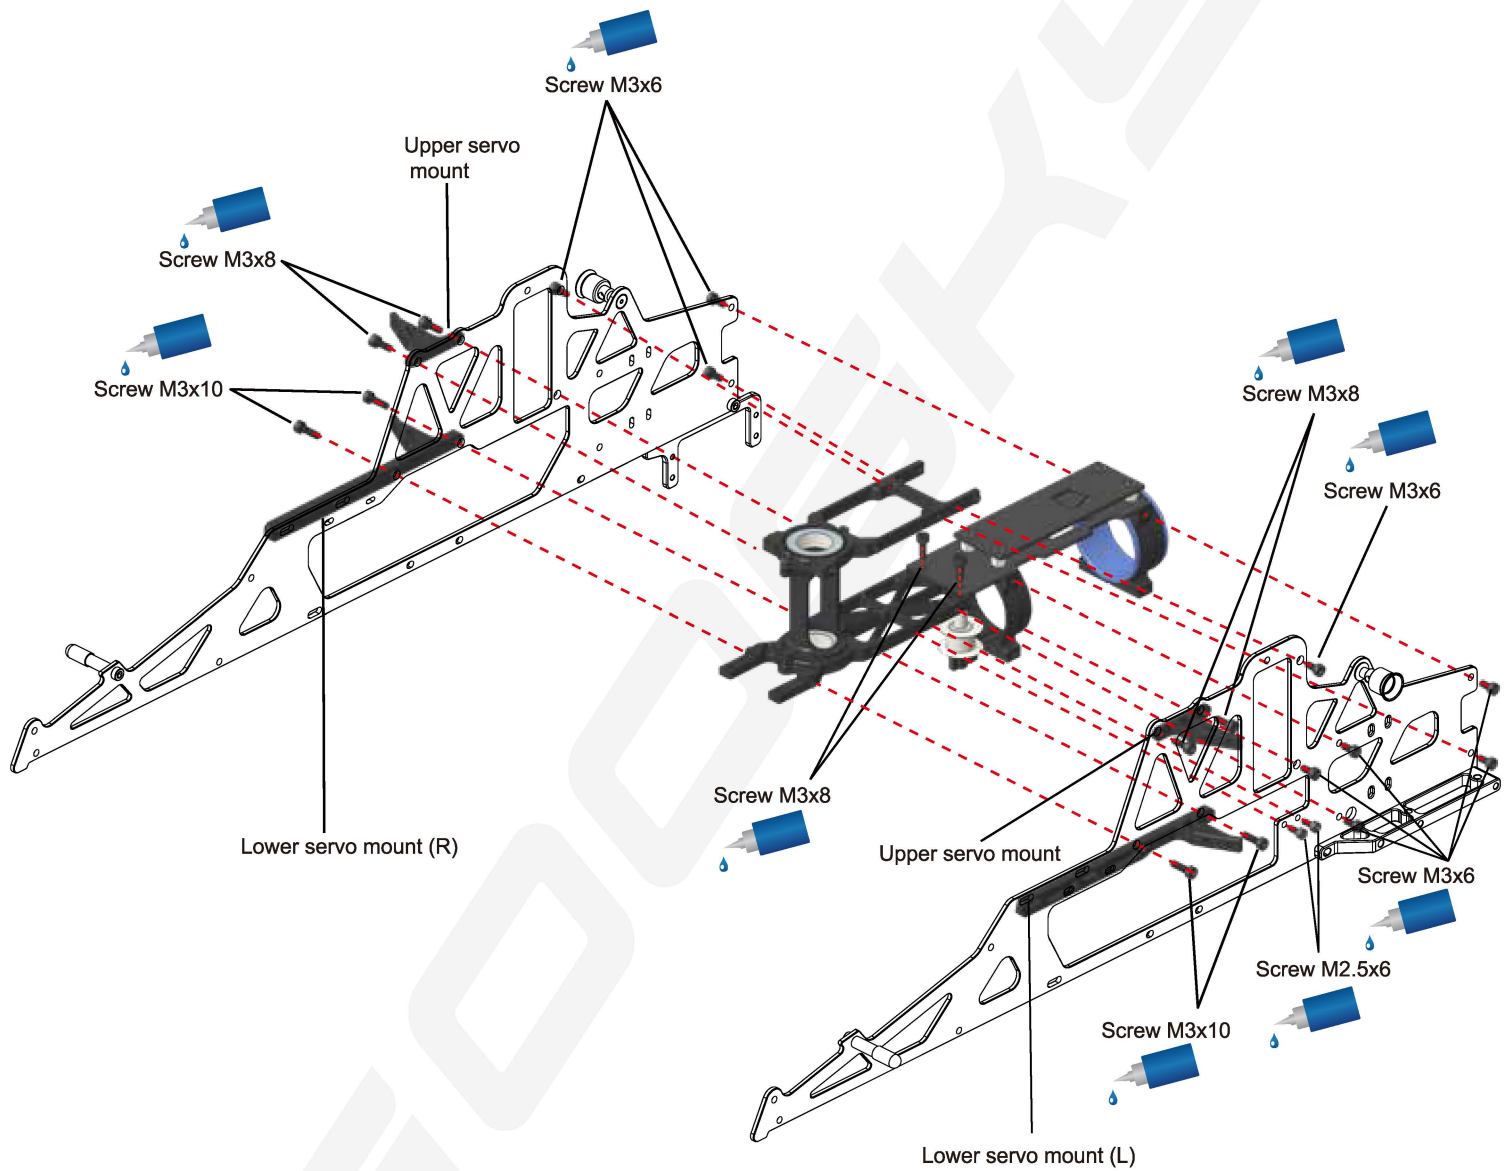

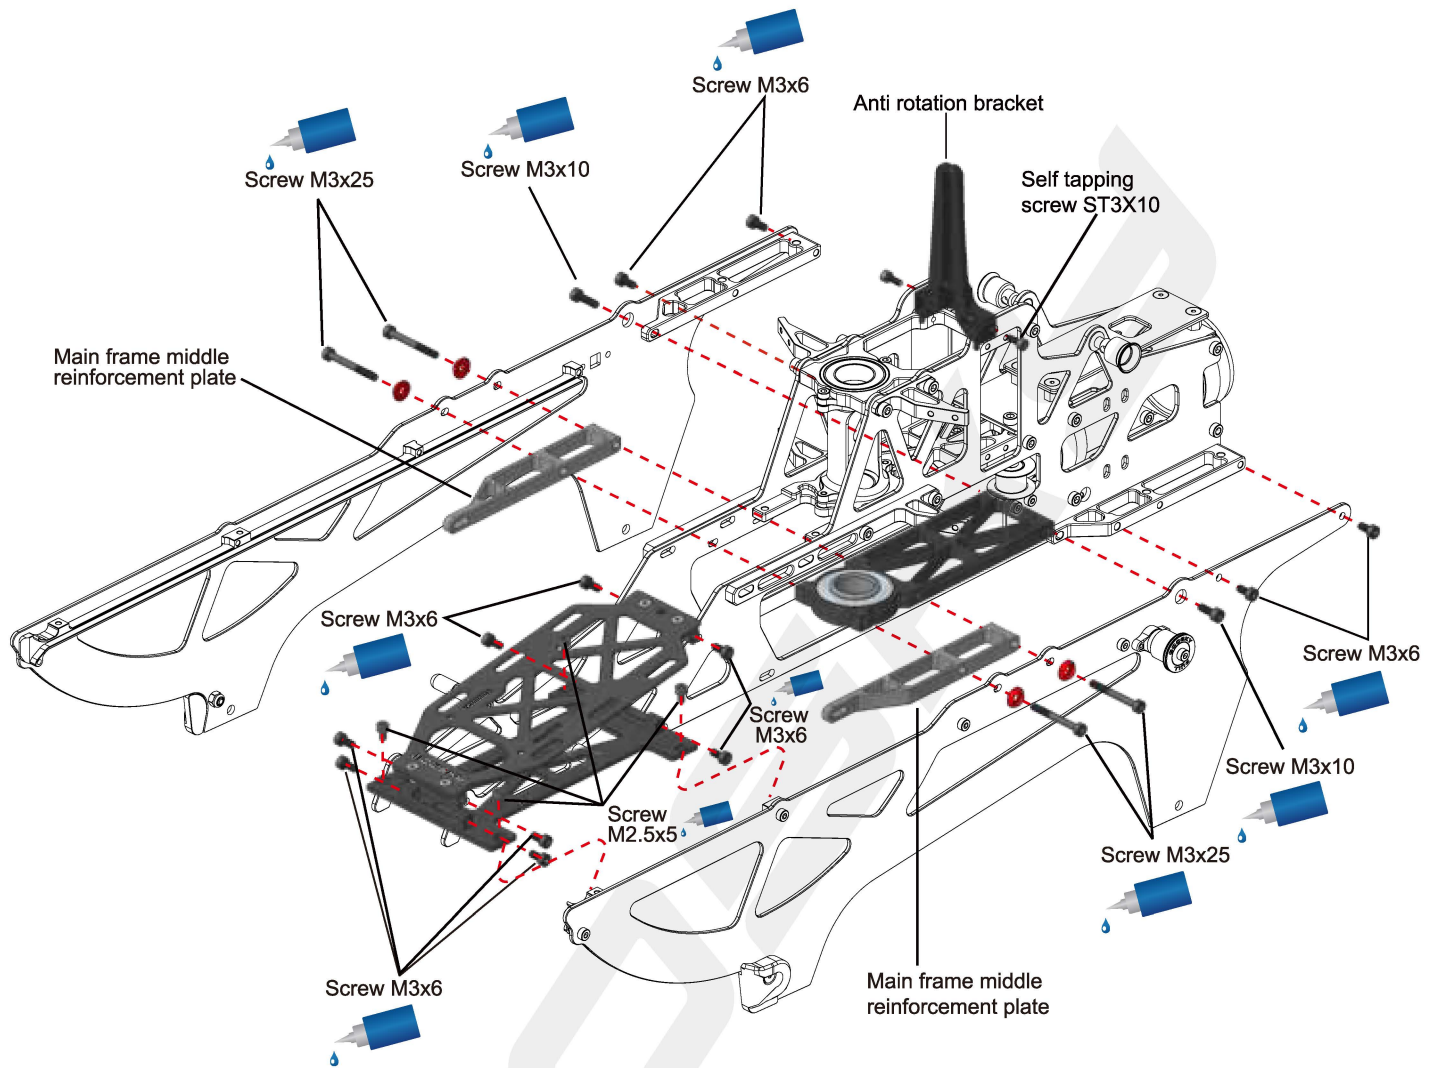

# ! CAUTION

Ensure the gears rotate smoothly after assembly and before installing onto the motor. Use thread-locking adhesive, but do not overtighten these two screws.

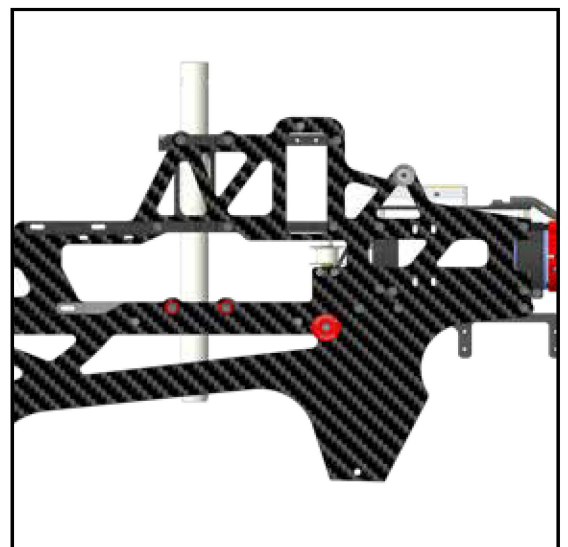

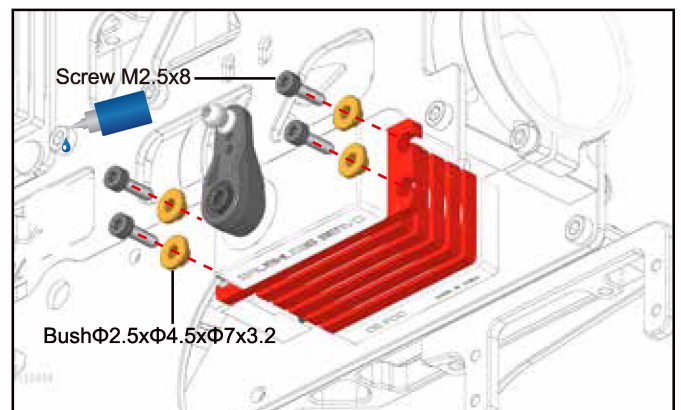

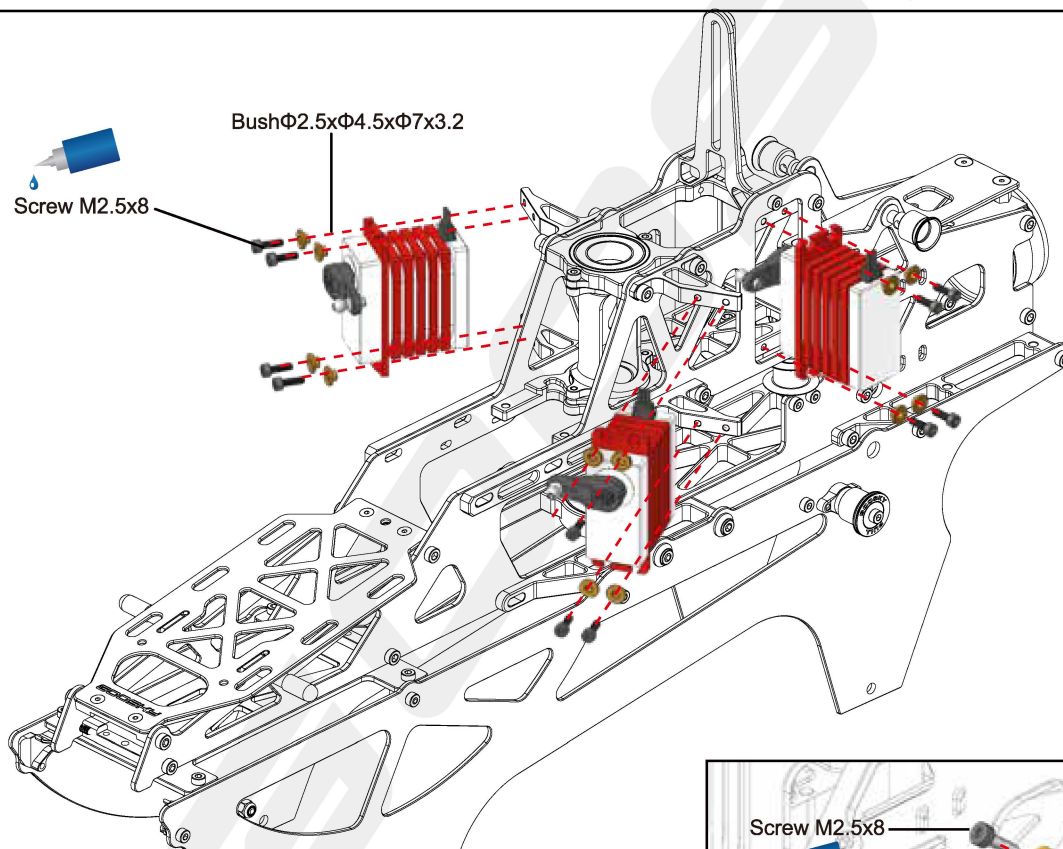

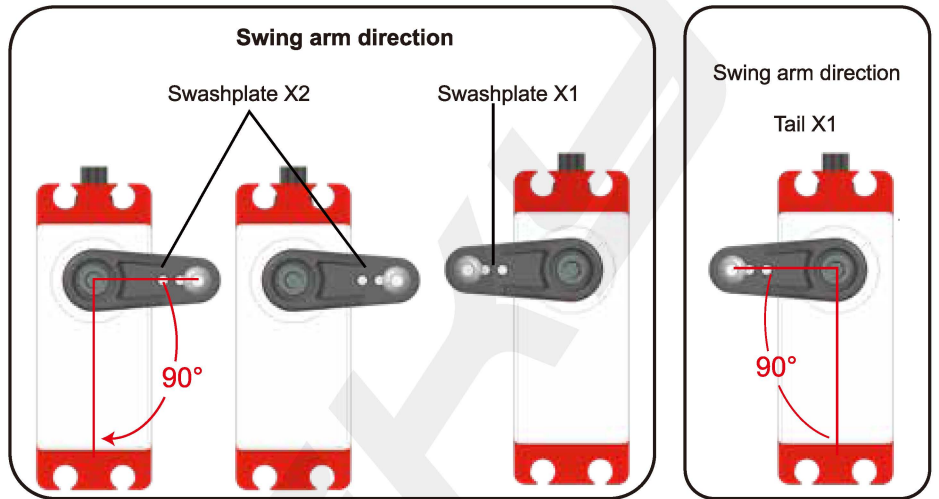

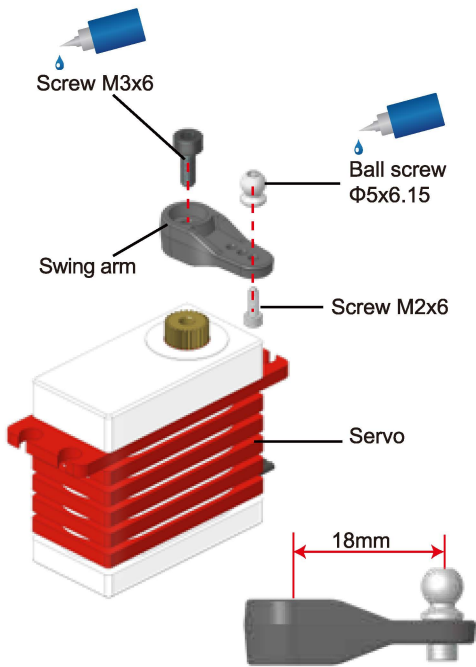

### ! CAUTION

Attention: Before tightening the motor screws, adjust the gears. Gradually and evenly tighten all eight screws to ensure uniform stress distribution."

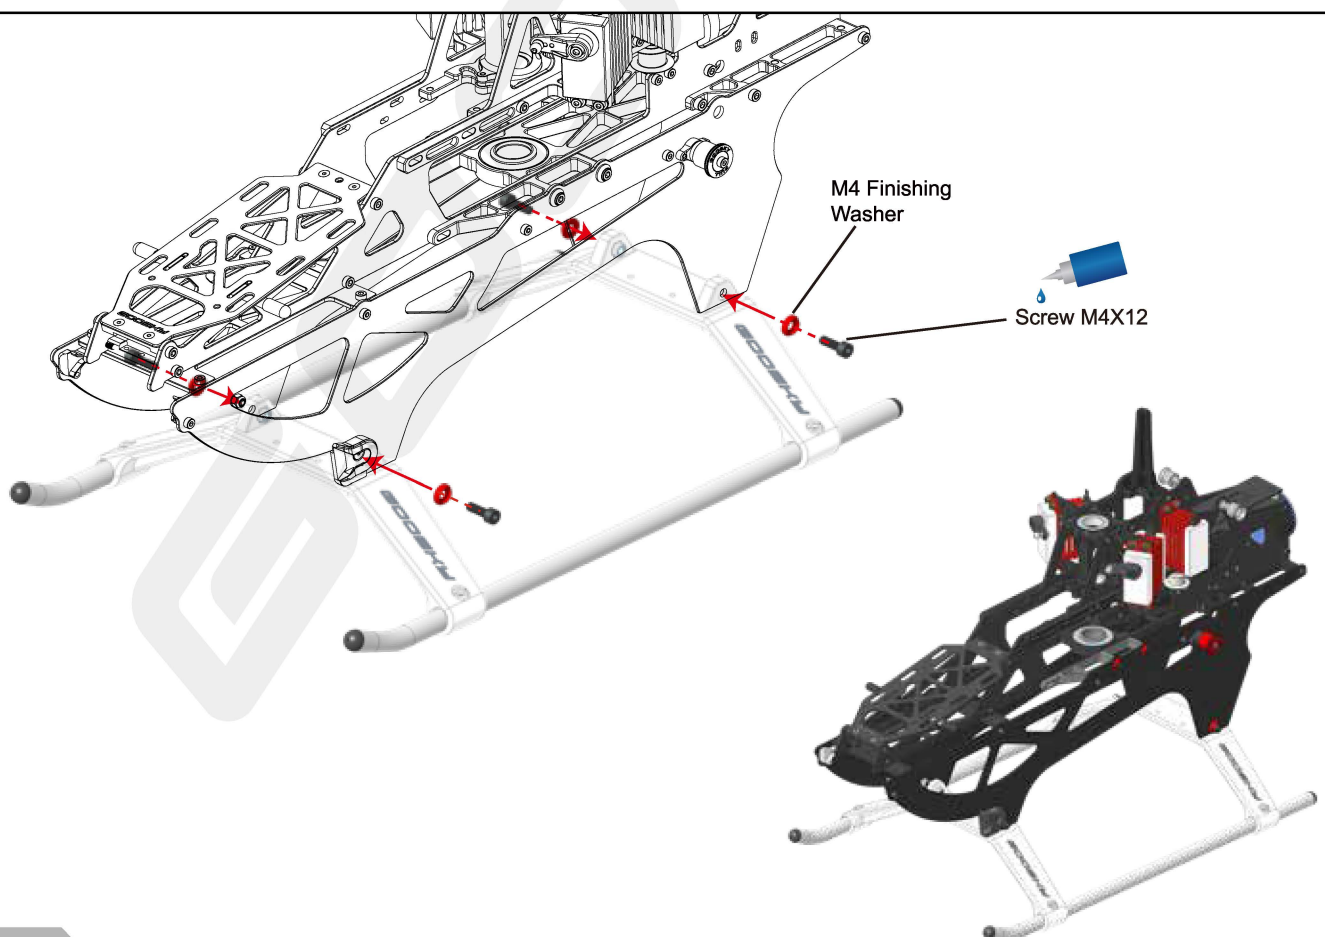

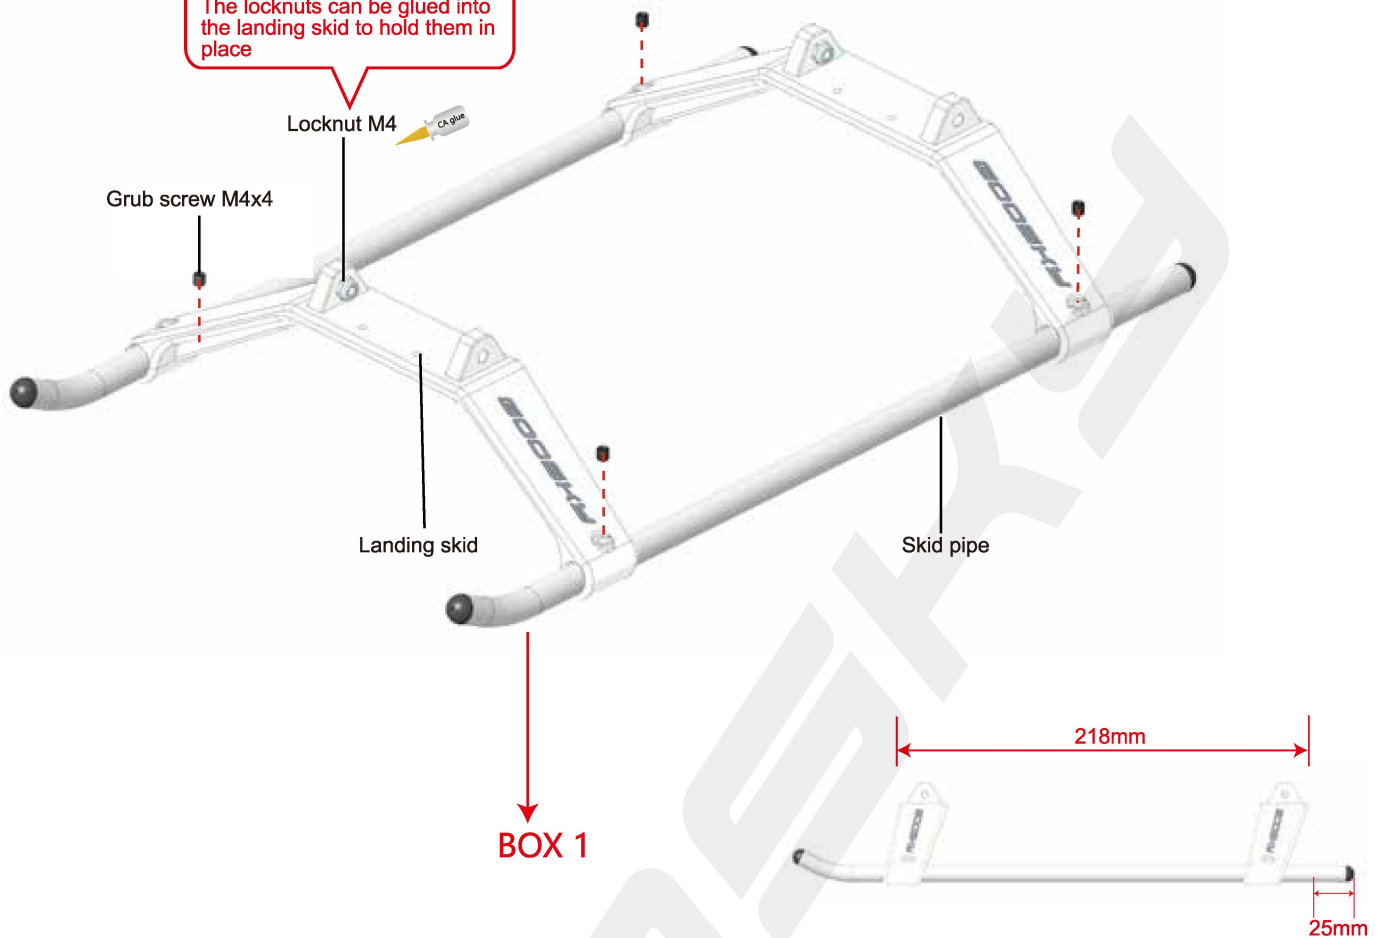

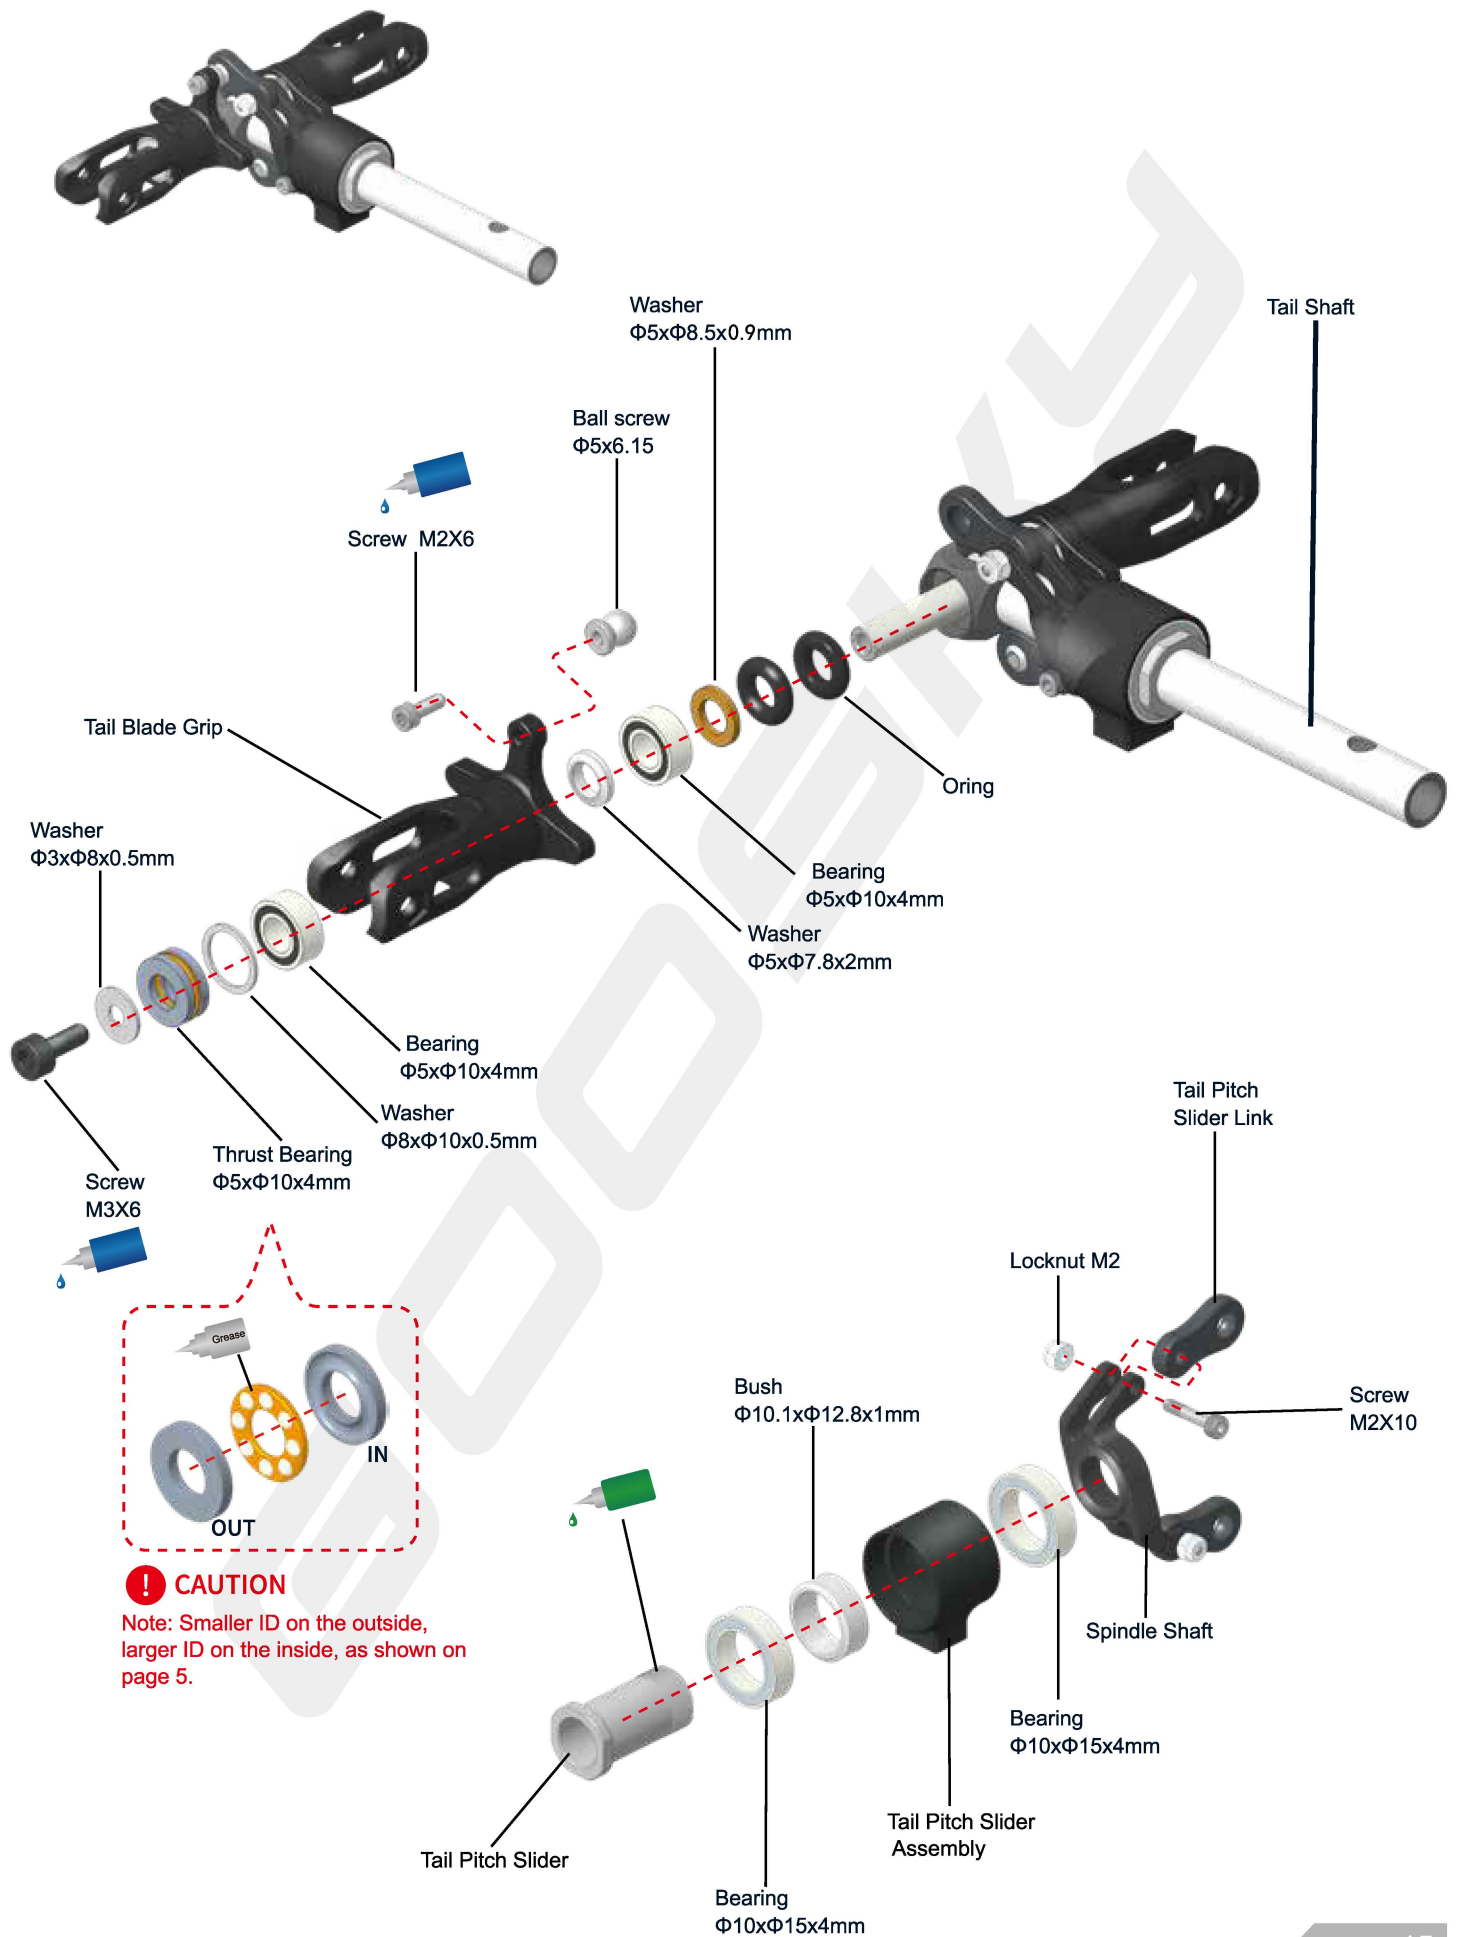

Note: the 3 Swashplate servos must be the same specification (brand and model), while the tail servo will be of a different specification."

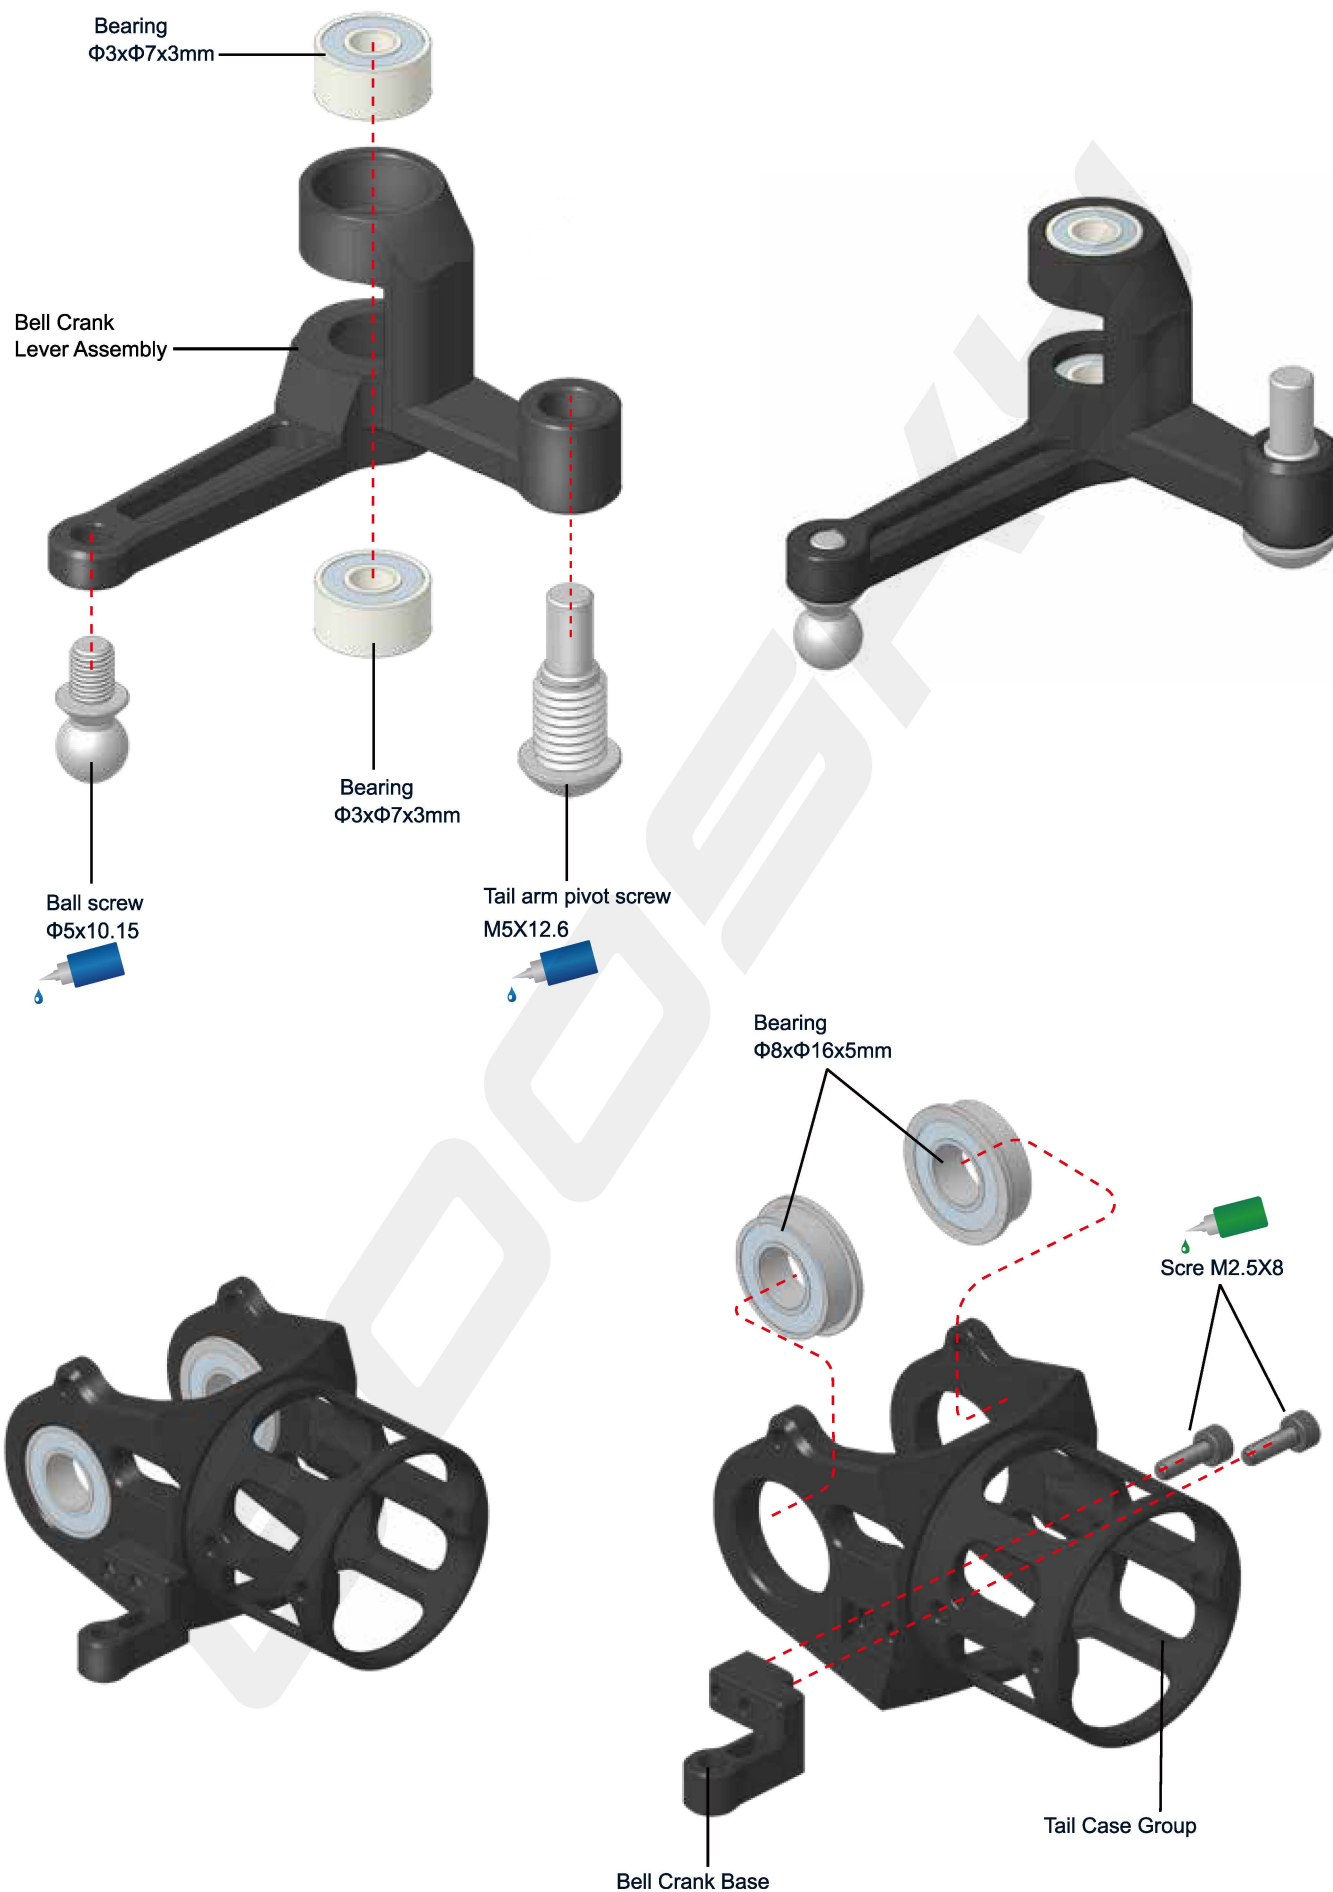

**CAUTION**

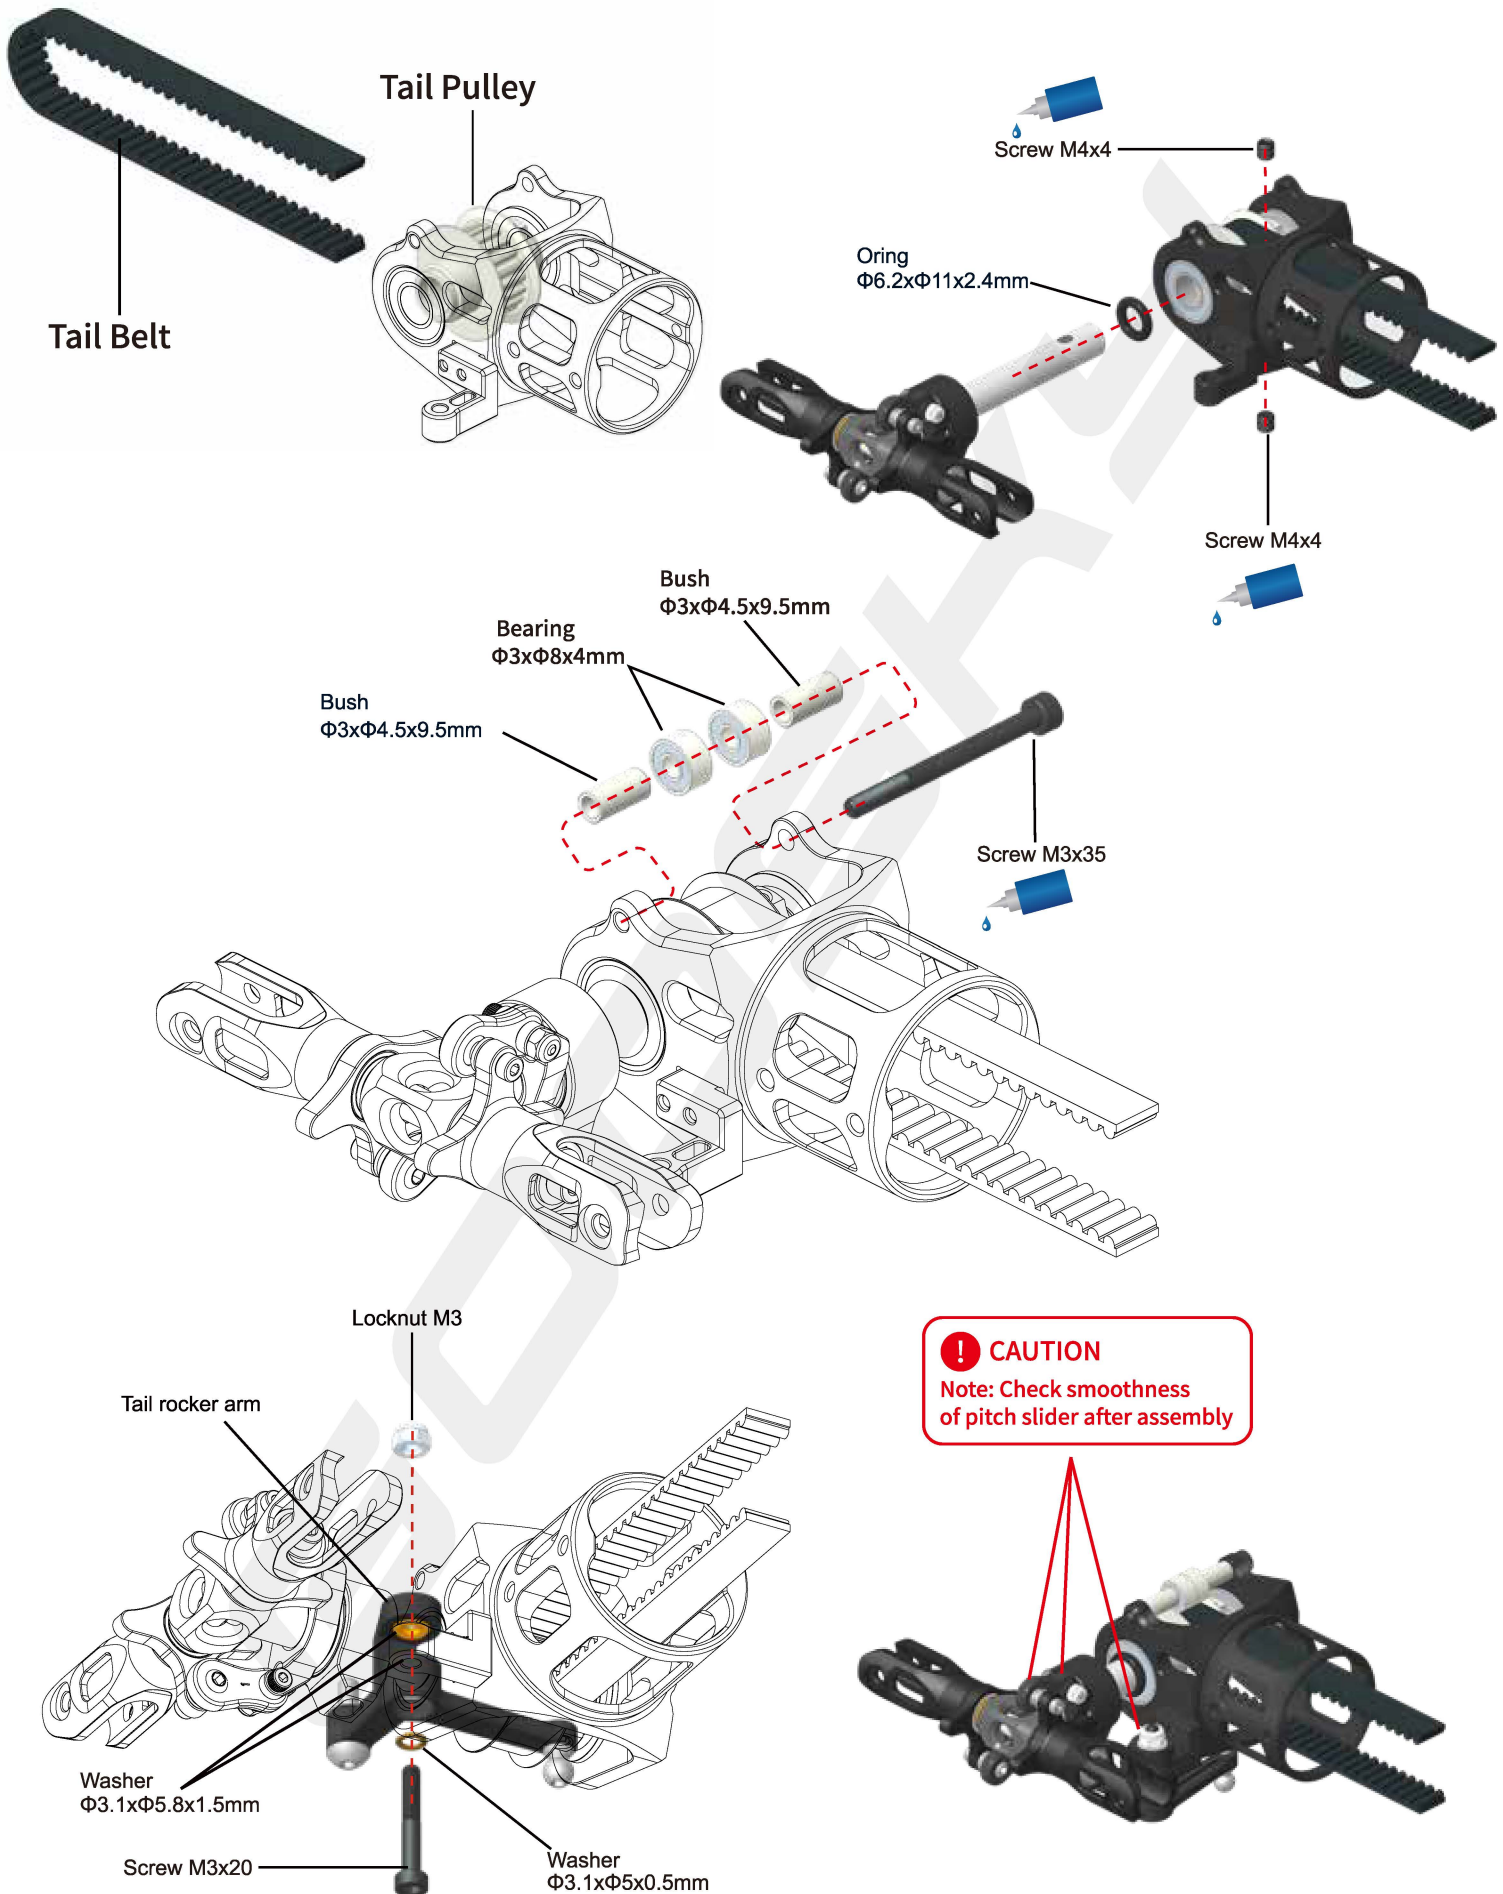

The locknuts can be glued into the landing skid to hold them in place

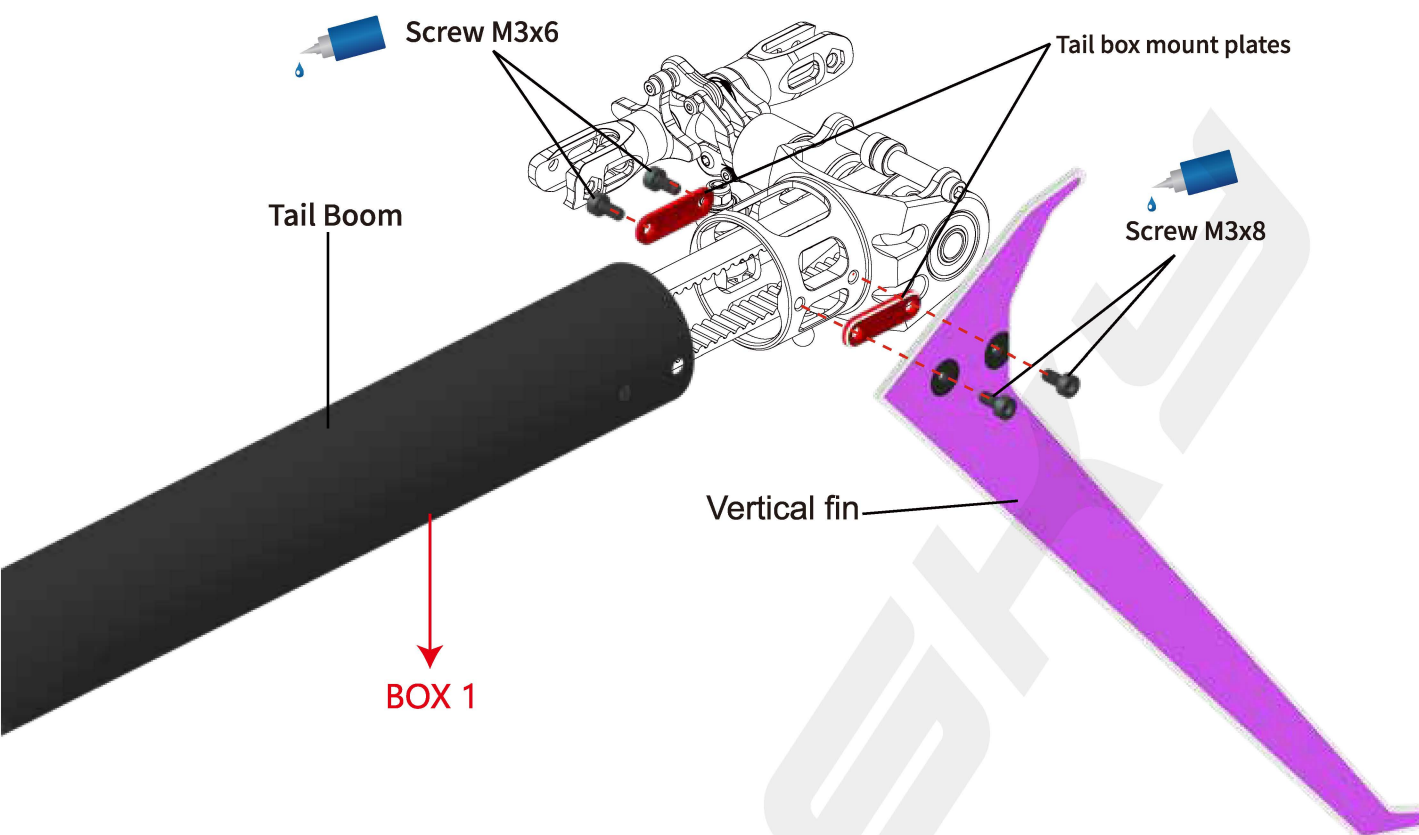

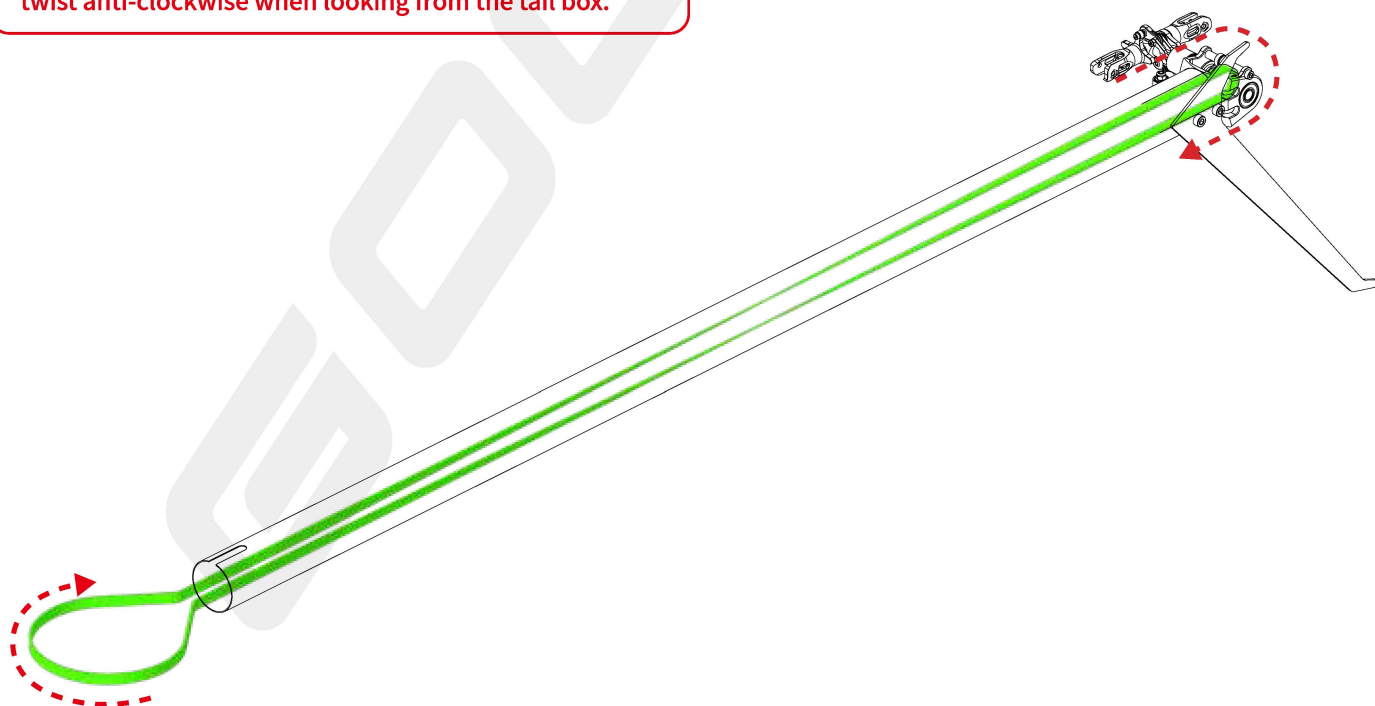

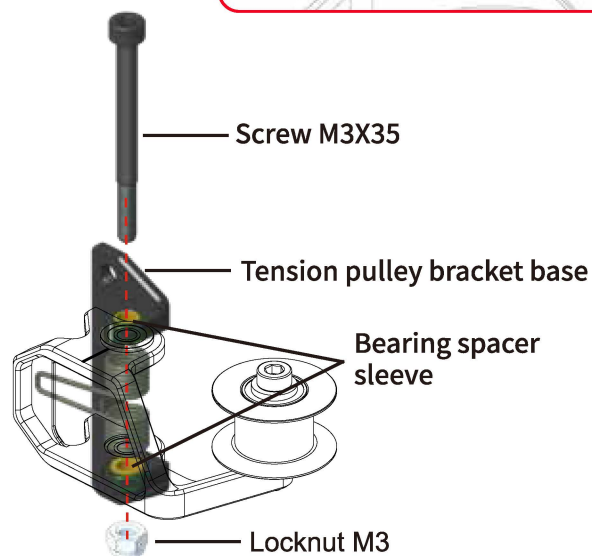

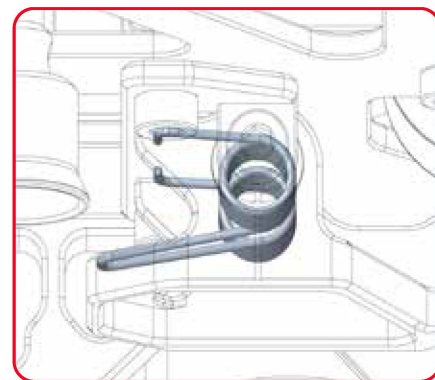

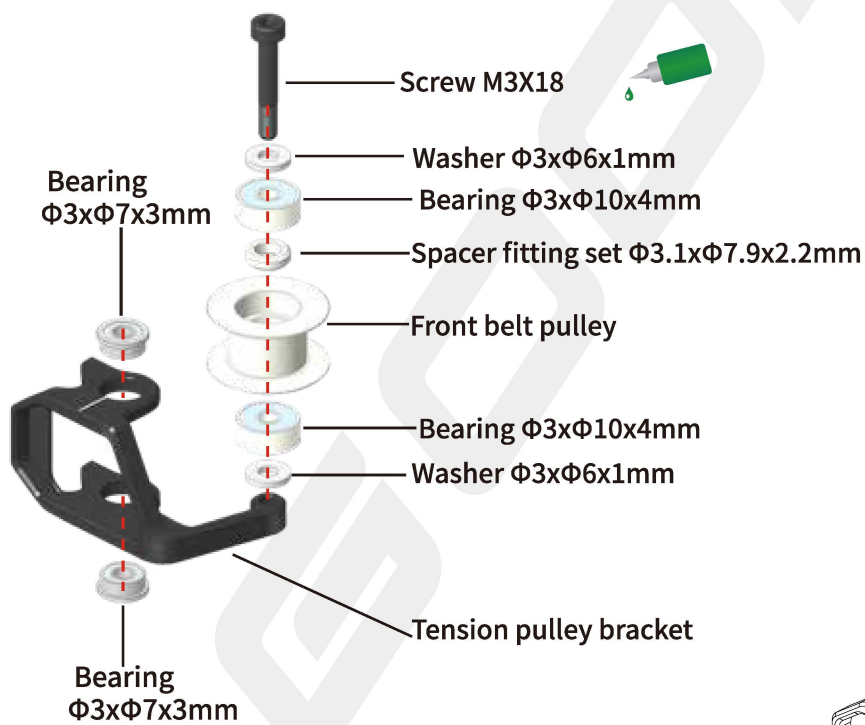

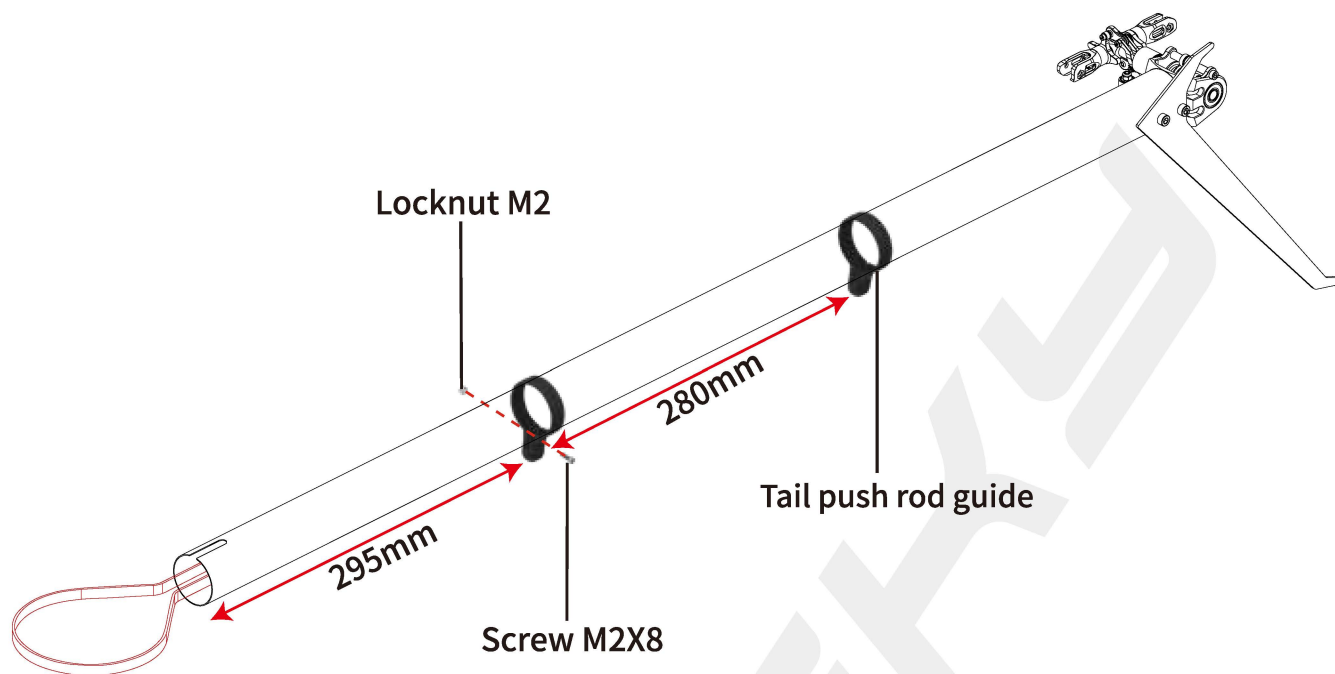

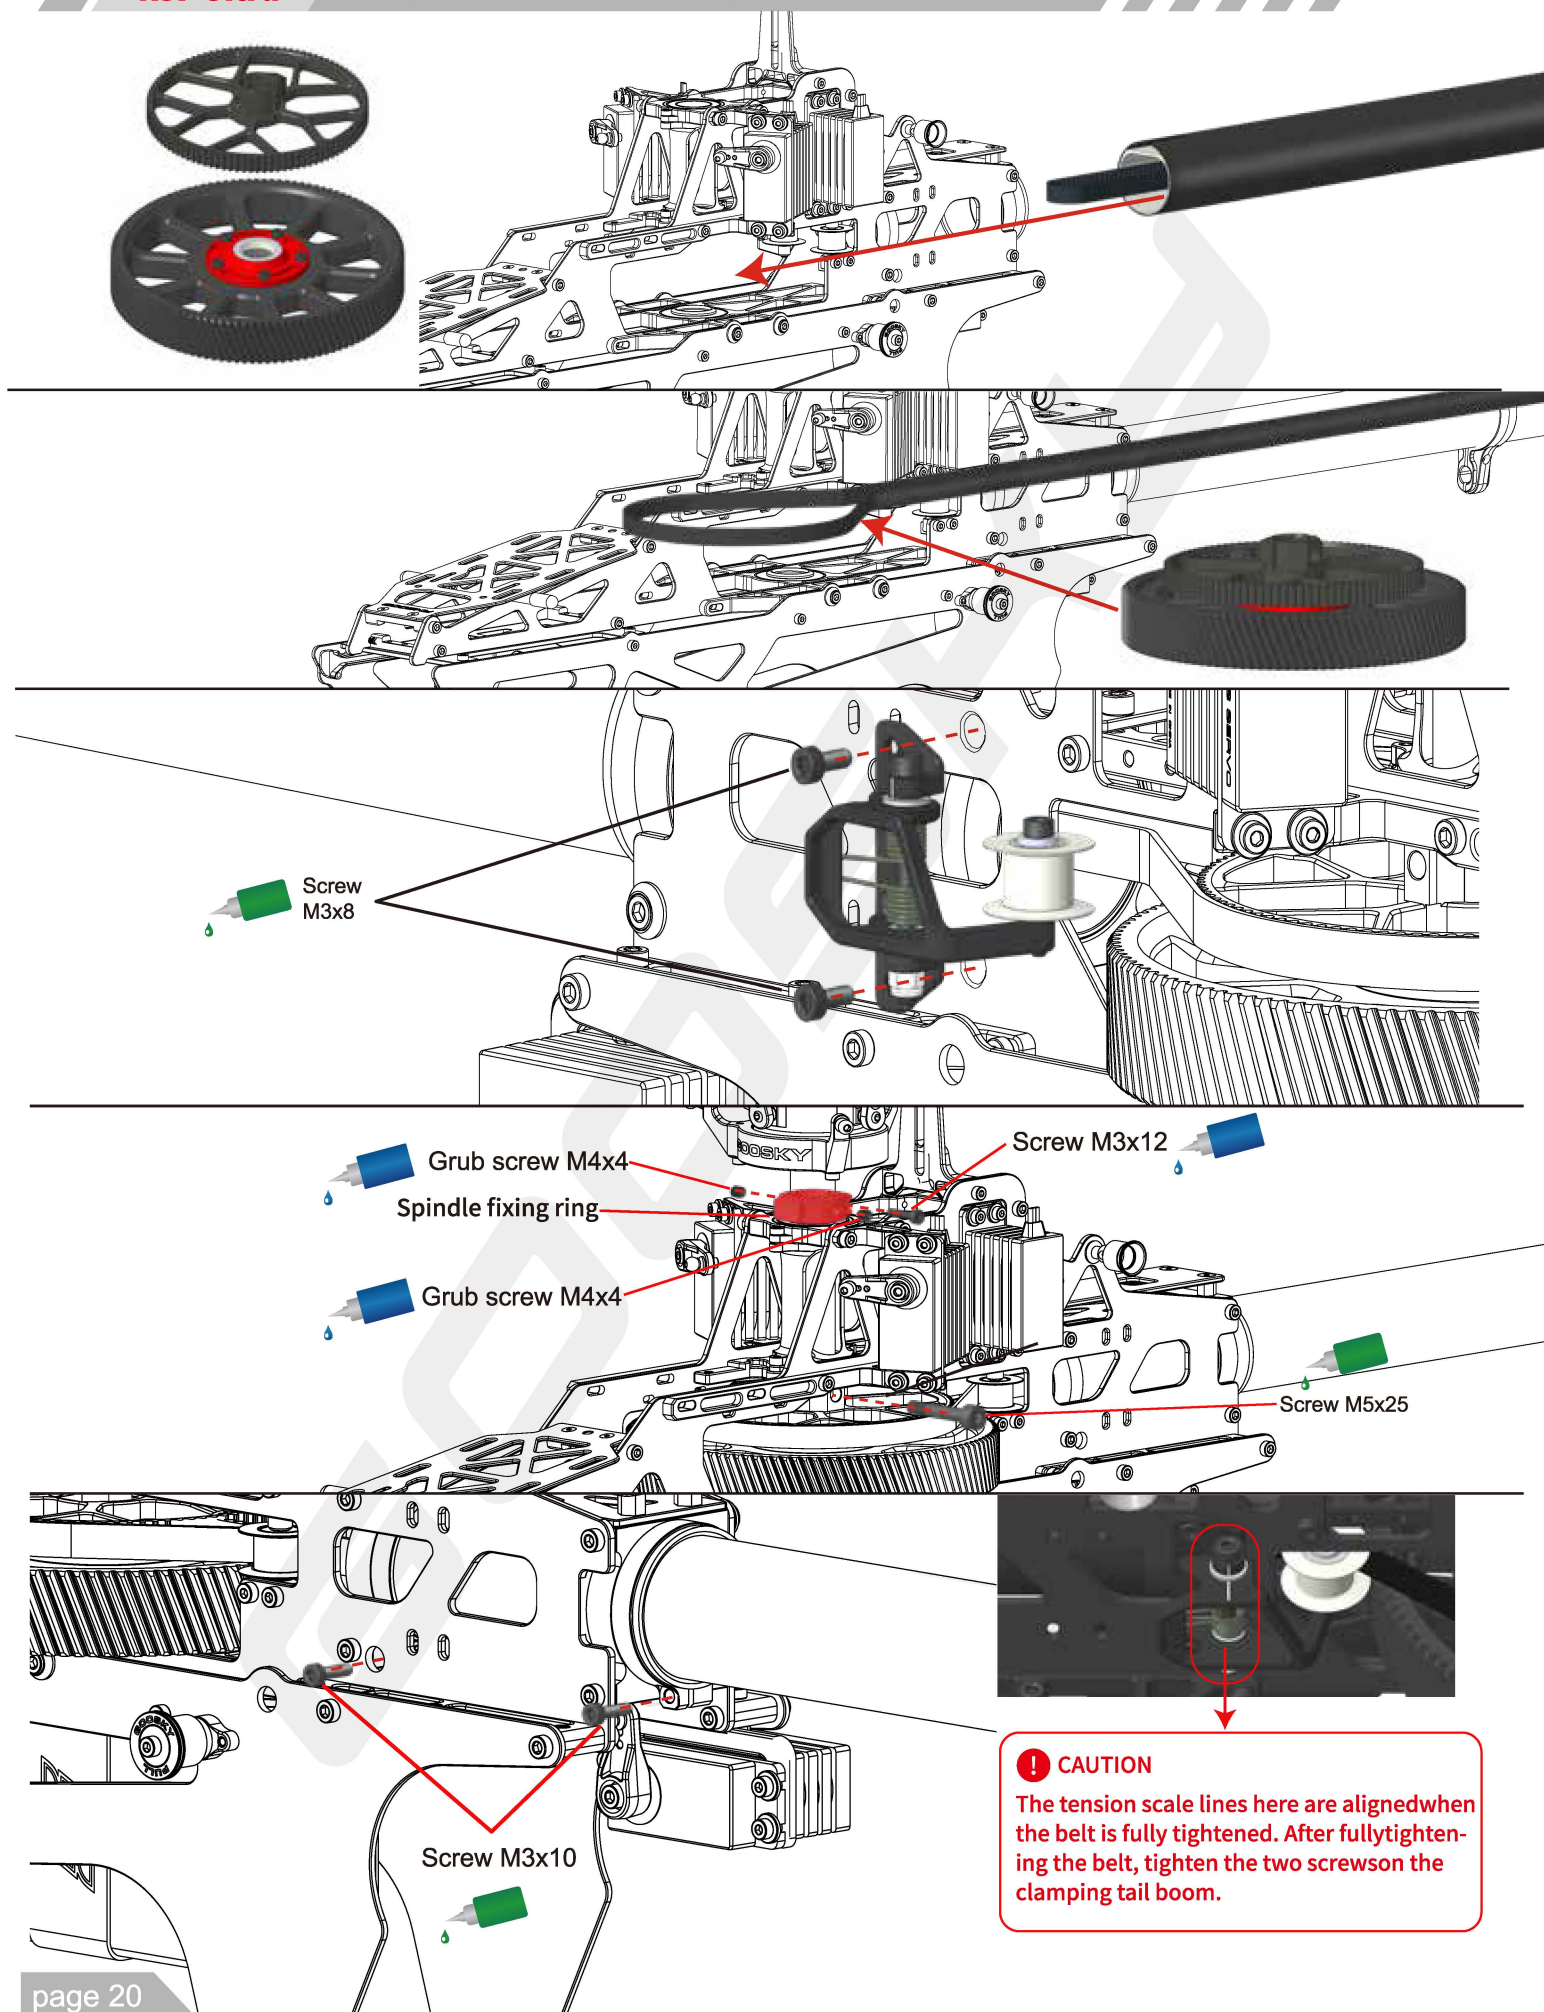

**! CAUTION**

Pay attention to the tail belt, there should only be a half twist anti-clockwise when looking from the tail box.

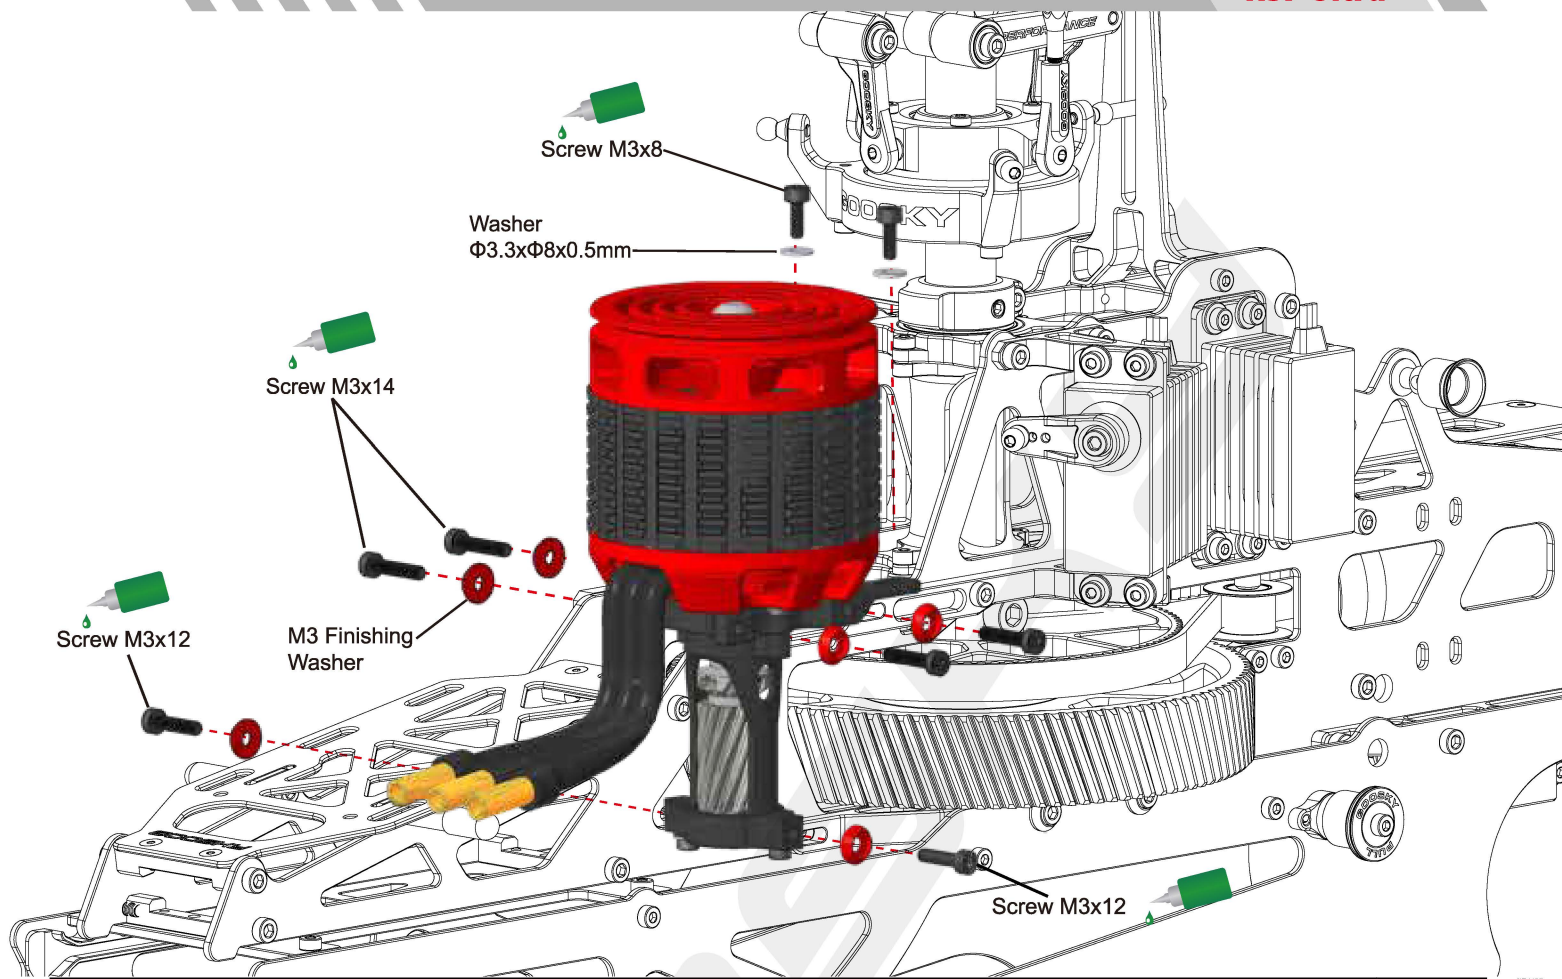

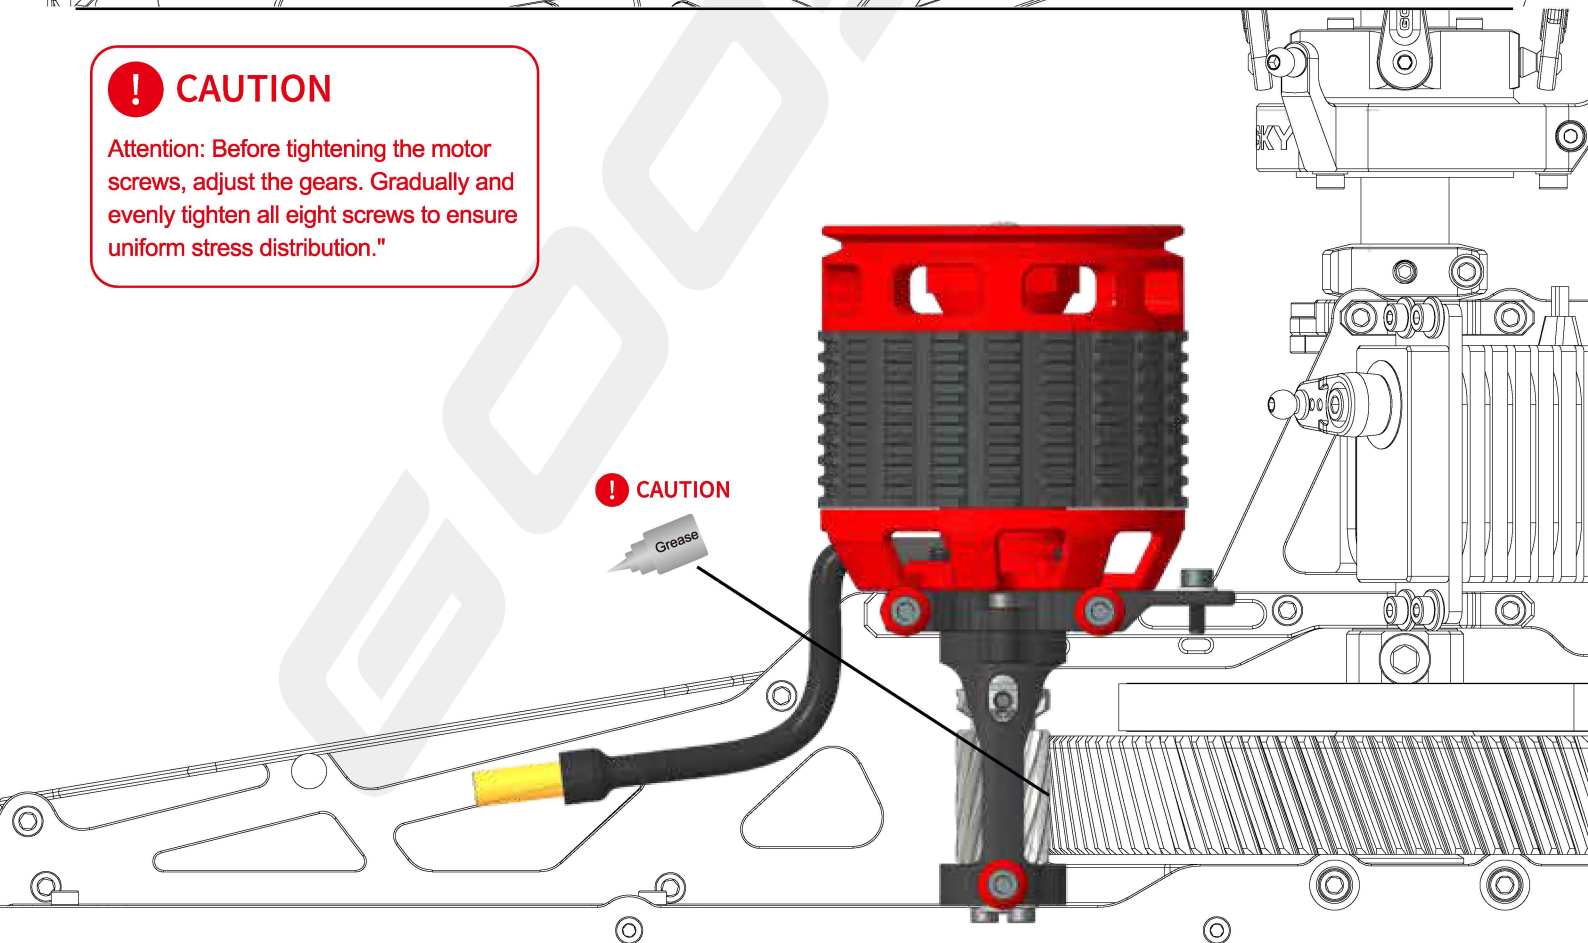

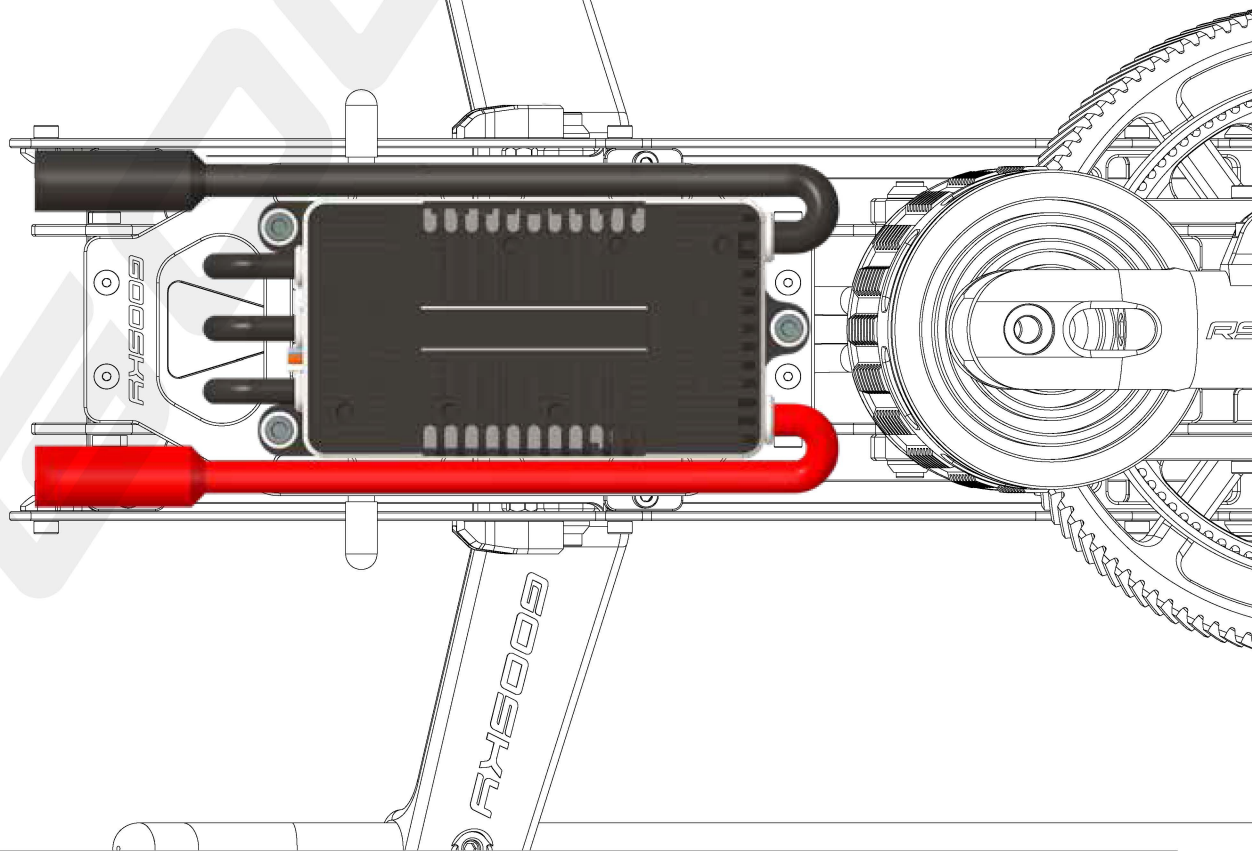

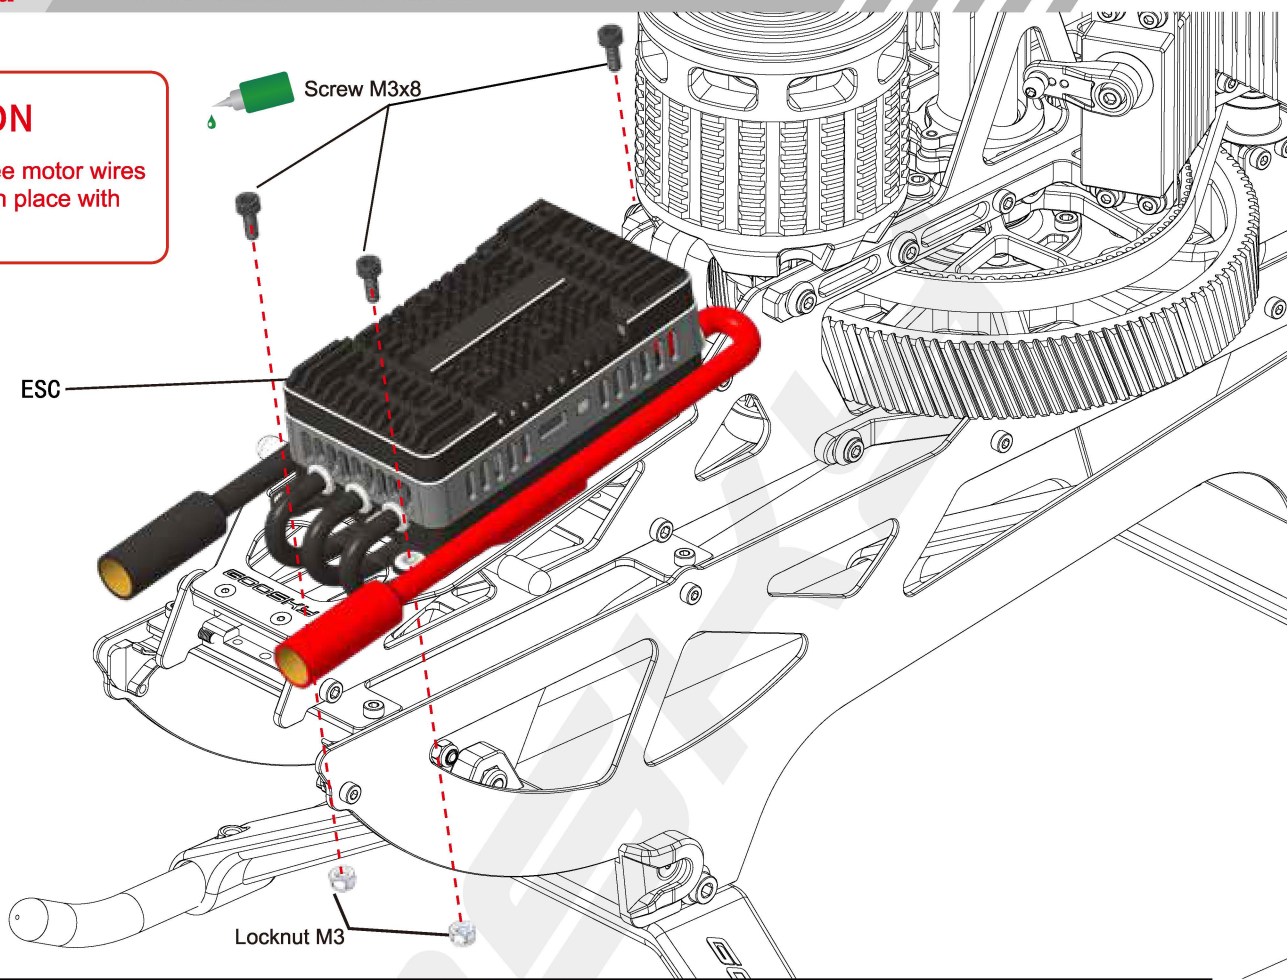

# **! CAUTION**

Attention: Before tightening the motor screws, adjust the gears. Gradually and evenly tighten all eight screws to ensure uniform stress distribution."

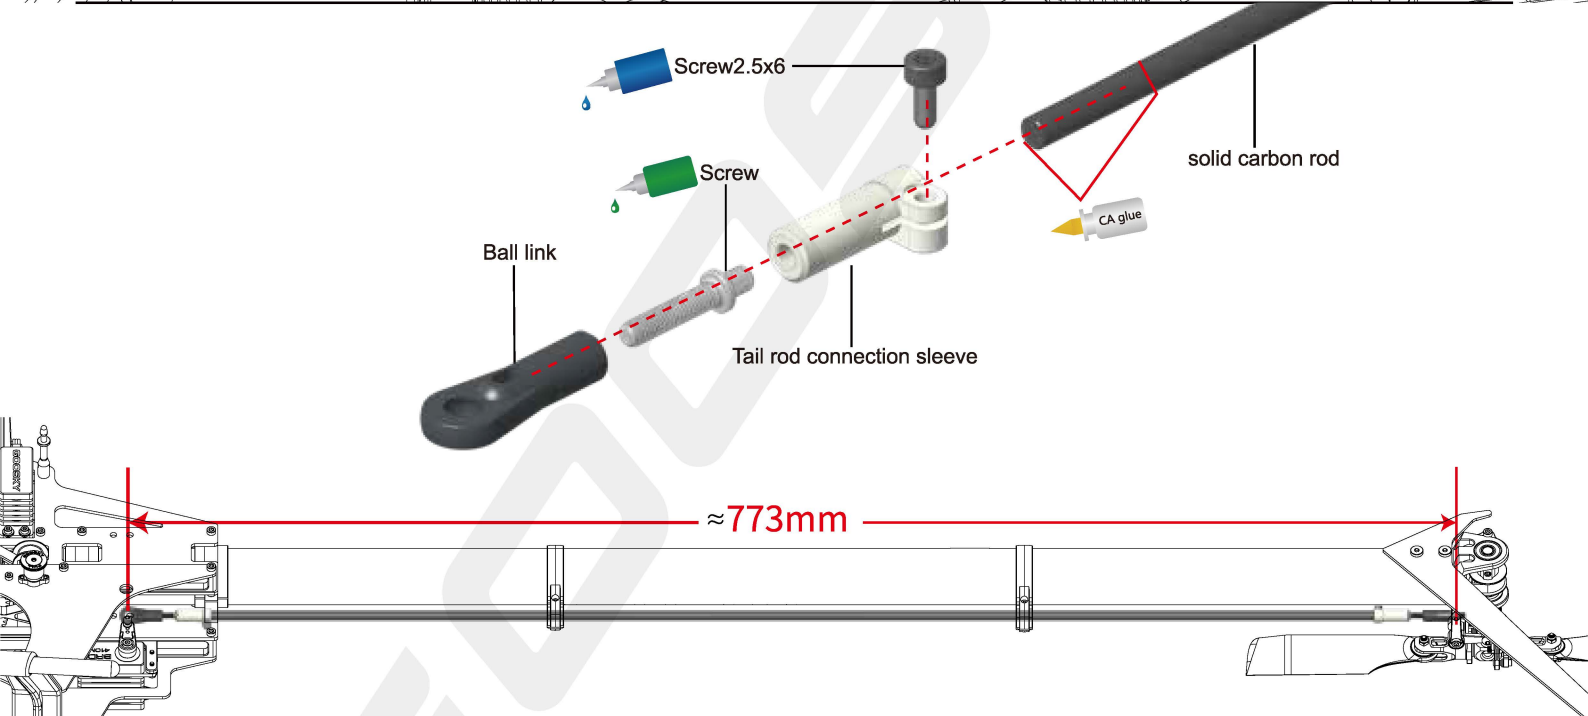

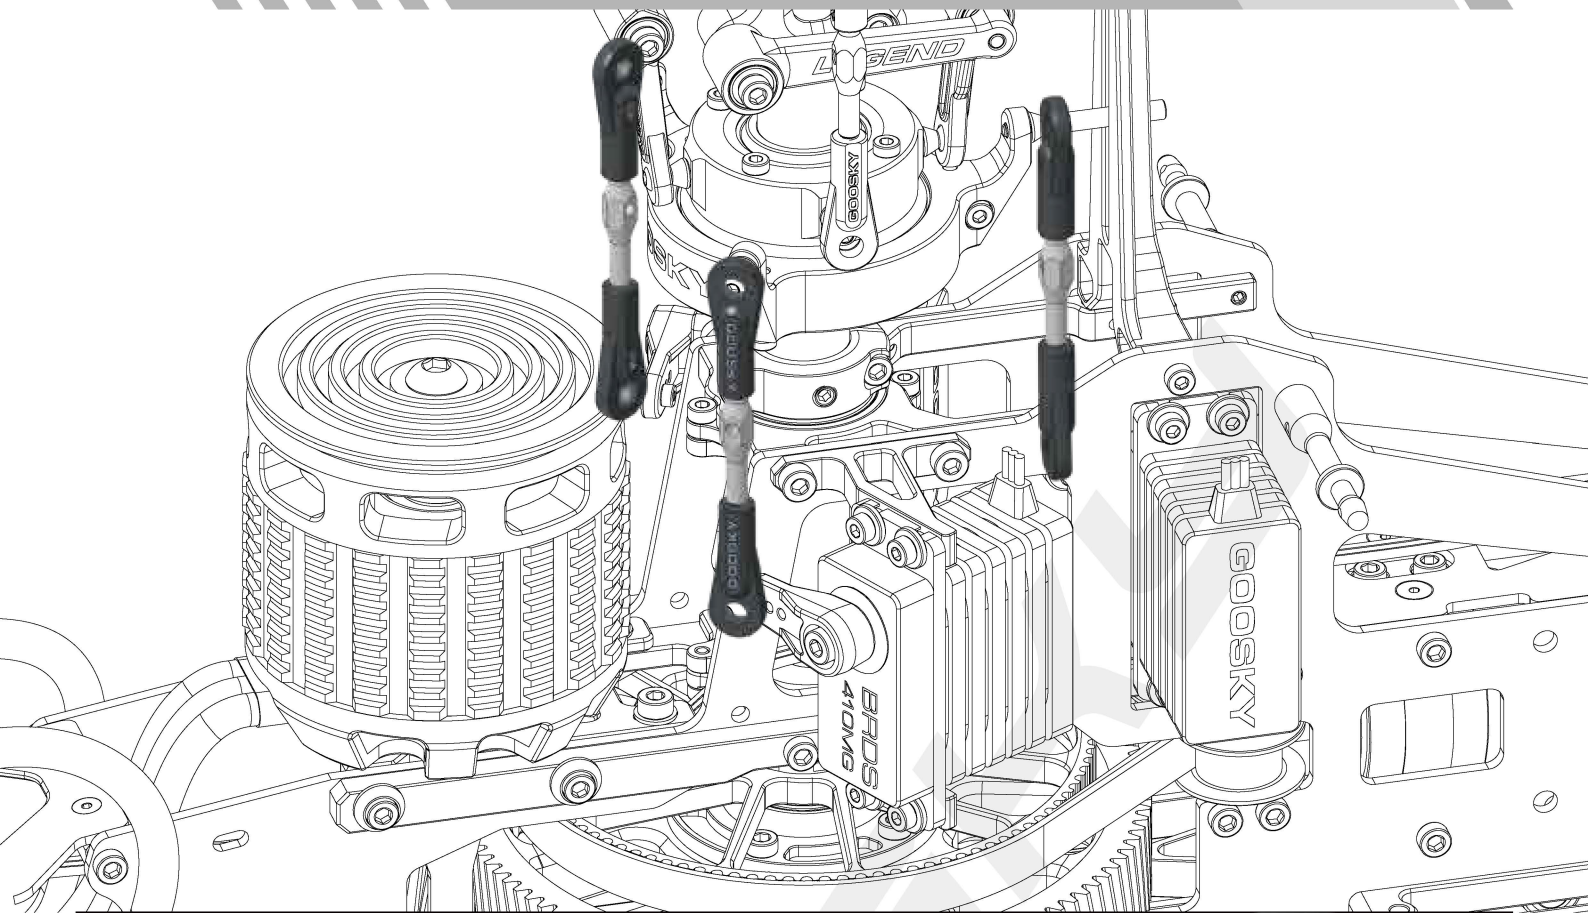

**! CAUTION**

Organize the three motor wires evenly and lock in place with the bracket.

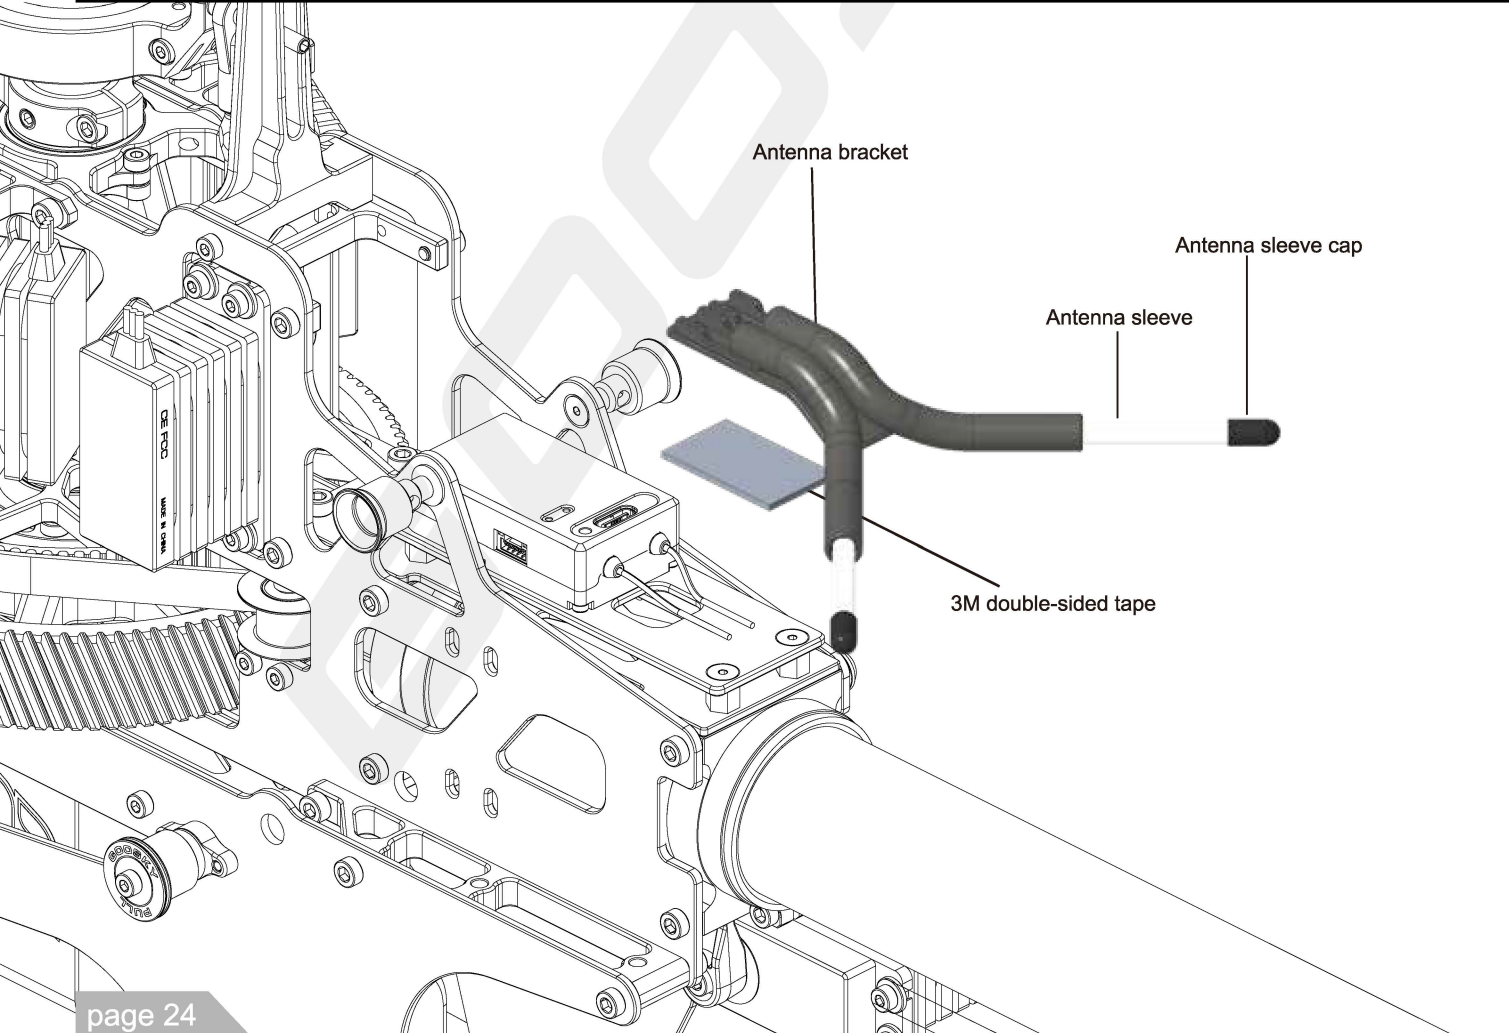

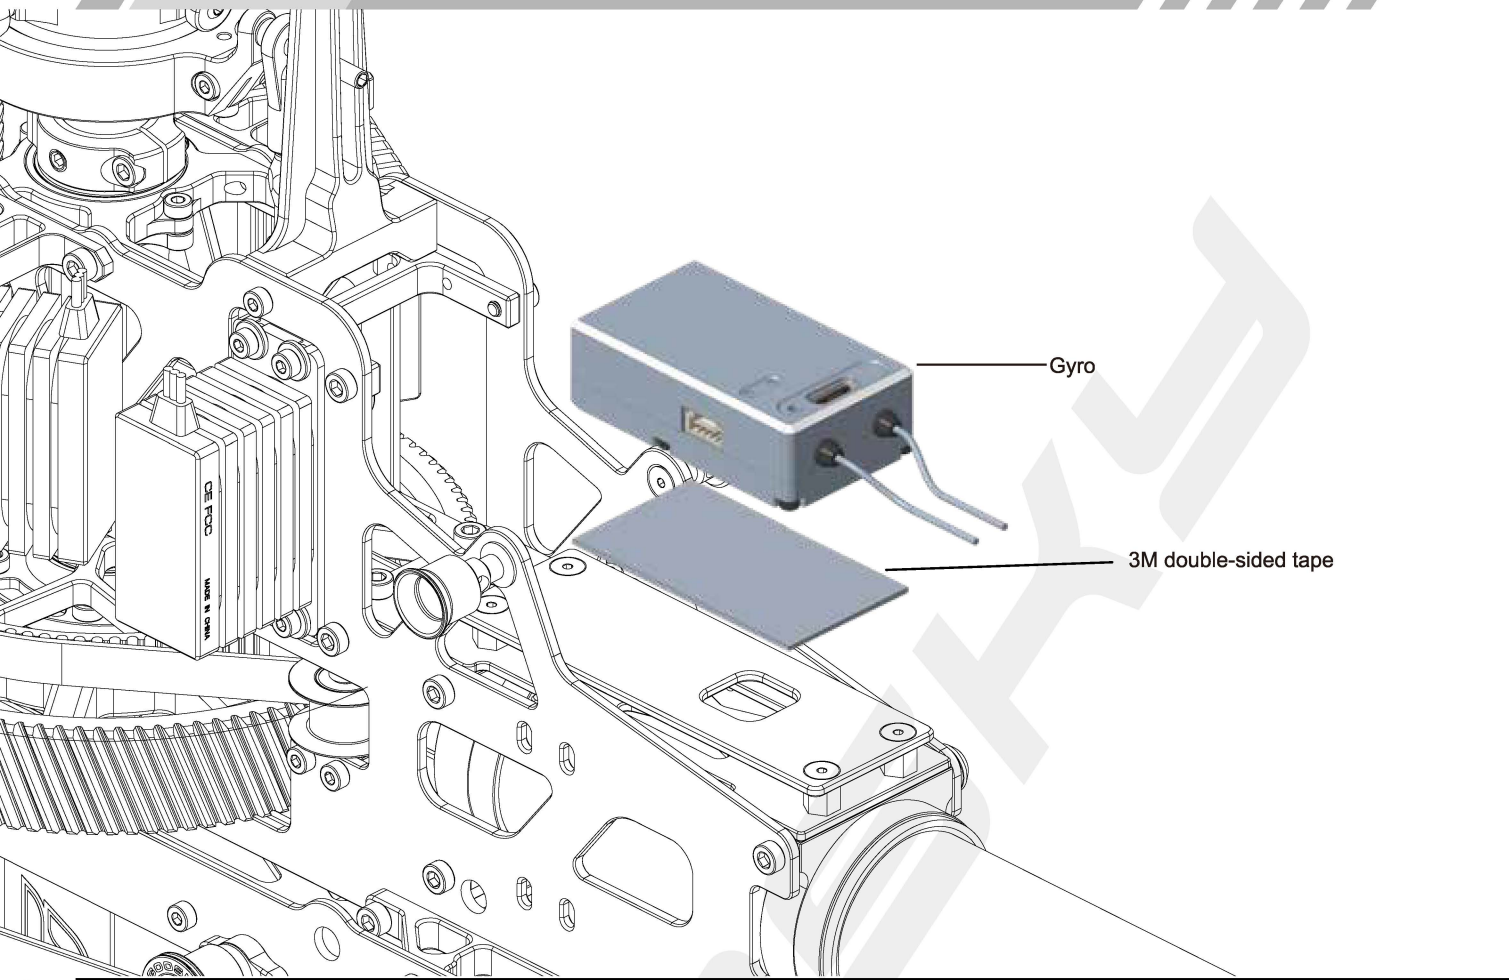

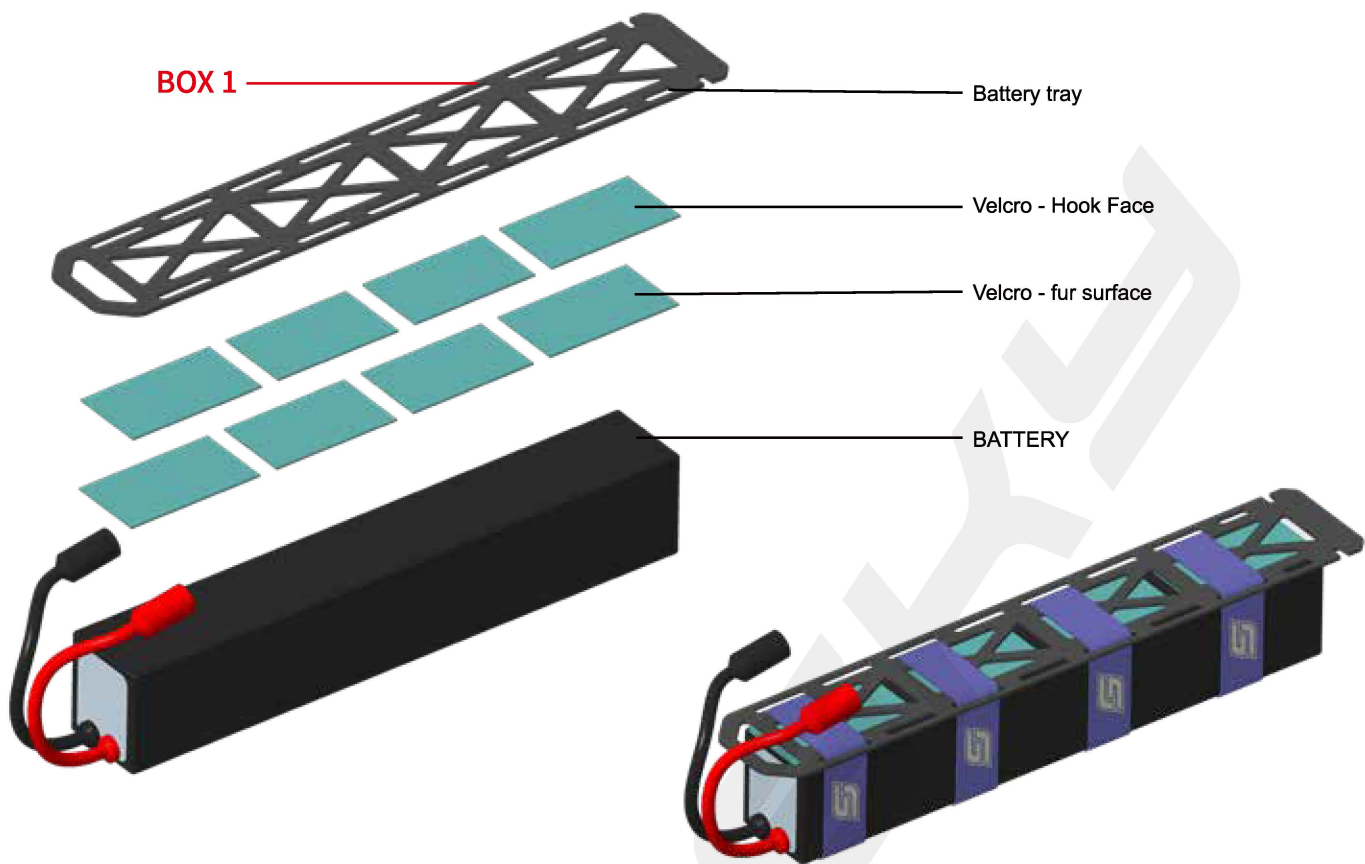

Please ensure smooth connection between the guide rings and the tail push rod.

**EU Declaration of Conformity**

Hereby, Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY) declares that the radio equipment type: RS7 Helicopter and the accessories supplied with it is in compliance with Directive 2014/53/EU.

The full text of the EU declaration of conformity is available at the following internet address: <https://www.goo-sky.com/Download/187121.html>  
This 2.4GHz radio equipment can be used without any prior registration or individual authorisation in the entire European Union

**Recycling and Waste Disposal Note (European Union)**

Electrical equipment marked with the crossed-out waste bin symbol must not be discarded in the domestic waste; it should be disposed off via the appropriate specialised disposal system. In the countries of the EU (European Union) electrical devices must not be discarded via the normal domestic waste system

(WEEE - Waste of Electrical and Electronic Equipment, Directive 2012/19/EU). You can take your unwanted equipment to your nearest public collection point

or recycling centre, where it will be disposed off in the proper manner at no charge to you. By disposing off your old equipment in a responsible manner you

make an important contribution to the safeguarding of the environment!

**EU-Konformitätserklärung**

Hiermit erklärt Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY), dass der Funkanlagentyp: RS7 Helicopter und das mitgelieferte Zubehör der Richtlinie 2014/53/EU entspricht.

Der vollständige Text der EU-Konformitätserklärung ist unter folgender Internetadresse verfügbar:

<https://www.goo-sky.com/Download/187121.html>

Diese 2,4-GHz-Funkanlage kann in der gesamten Europäischen Union ohne vorherige Registrierung oder individuelle Genehmigung verwendet werden.

**Hinweis zur Entsorgung und zum Recycling (Europäische Union)**

Elektrische Geräte, die mit dem Symbol einer durchgestrichenen Mülltonne gekennzeichnet sind, dürfen nicht im Hausmüll entsorgt werden.

Sie müssen über ein entsprechendes spezialisiertes Entsorgungssystem entsorgt werden.

In den Ländern der Europäischen Union dürfen elektrische Geräte nicht über den normalen Hausmüll entsorgt werden

(WEEE – Richtlinie 2012/19/EU über Elektro- und Elektronik-Altgeräte).

Sie können Ihre nicht mehr benötigten Geräte bei der nächstgelegenen öffentlichen Sammelstelle oder einem Recyclingzentrum abgeben, wo sie ordnungsgemäß und kostenlos entsorgt werden.

Durch die verantwortungsvolle Entsorgung Ihrer Altgeräte leisten Sie einen wichtigen Beitrag zum Umweltschutz!

**Déclaration UE de Conformité**

Par la présente, Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY) déclare que le type d'équipement radio : Hélicoptère RS7 et les accessoires fournis sont conformes à la directive 2014/53/UE.

Le texte complet de la déclaration UE de conformité est disponible à l'adresse Internet suivante :

<https://www.goo-sky.com/Download/187121.html>

Cet équipement radio 2,4 GHz peut être utilisé sans enregistrement préalable ni autorisation individuelle dans toute l'Union européenne.

**Avis sur le recyclage et l'élimination des déchets (Union européenne)**

Les équipements électriques portant le symbole de la poubelle barrée ne doivent pas être jetés avec les déchets ménagers. Ils doivent être éliminés par un système de collecte spécialisé approprié.

Dans les pays de l'Union européenne, les appareils électriques ne doivent pas être jetés avec les déchets ménagers ordinaires

(DEEE – Déchets d'Équipements Électriques et Électroniques, Directive 2012/19/UE).

Vous pouvez déposer vos anciens équipements au point de collecte public ou au centre de recyclage le plus proche, où ils seront éliminés correctement et gratuitement.

En éliminant vos anciens équipements de manière responsable, vous contribuez de manière importante à la protection de l'environnement !

**Declaración UE de Conformidad**

Por la presente, Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY) declara que el tipo de equipo radioeléctrico: Helicóptero RS7 y los accesorios suministrados cumplen con la Directiva 2014/53/UE.

El texto completo de la declaración UE de conformidad está disponible en la siguiente dirección de Internet:

<https://www.goo-sky.com/Download/187121.html>

Este equipo de radio de 2,4 GHz puede utilizarse sin ningún registro previo ni autorización individual en toda la Unión Europea.

**Nota sobre reciclaje y eliminación de residuos (Unión Europea)**

Los equipos eléctricos marcados con el símbolo del contenedor tachado no deben eliminarse junto con los residuos domésticos. Deben eliminarse mediante un sistema especializado de recogida.

En los países de la Unión Europea, los dispositivos eléctricos no deben desecharse con la basura doméstica común

(RAEE – Residuos de Aparatos Eléctricos y Electrónicos, Directiva 2012/19/UE).

Puede llevar sus equipos no deseados al punto de recogida pública o al centro de reciclaje más cercano, donde serán eliminados de forma adecuada y sin ningún coste para usted.

Al eliminar sus antiguos equipos de forma responsable, usted contribuye significativamente a la protección del medio ambiente.

**Declaração UE de Conformidade**

Por este meio, a Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY) declara que o tipo de equipamento de rádio: Helicóptero RS7 e os acessórios fornecidos estão em conformidade com a Diretiva 2014/53/UE.

O texto completo da declaração de conformidade da UE está disponível no seguinte endereço da internet:

<https://www.goo-sky.com/Download/187121.html>

Este equipamento de rádio de 2,4 GHz pode ser utilizado em toda a União Europeia sem qualquer registo prévio ou autorização individual.

**Nota sobre Reciclagem e Eliminação de Resíduos (União Europeia)**

Os equipamentos elétricos marcados com o símbolo do contentor de lixo riscado não devem ser eliminados com os resíduos domésticos. Devem ser eliminados através de um sistema especializado de recolha.

Nos países da União Europeia, os dispositivos elétricos não devem ser eliminados juntamente com o lixo doméstico normal (REEE – Resíduos de Equipamentos Elétricos e Eletrónicos, Diretiva 2012/19/UE).

Pode entregar o equipamento que já não deseja no ponto de recolha pública ou centro de reciclagem mais próximo, onde será devidamente eliminado, sem quaisquer custos para si.

Ao eliminar os seus equipamentos antigos de forma responsável, está a contribuir significativamente para a proteção do meio ambiente!

**Dichiarazione di Conformità UE**

Con la presente, Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY) dichiara che il tipo di apparecchiatura radio: Elicottero RS7 e gli accessori forniti sono conformi alla Direttiva 2014/53/UE.

Il testo completo della dichiarazione di conformità UE è disponibile al seguente indirizzo Internet:

<https://www.goo-sky.com/Download/187121.html>

Questa apparecchiatura radio a 2,4 GHz può essere utilizzata nell'intera Unione Europea senza alcuna registrazione preventiva o autorizzazione individuale.

**Nota sul riciclaggio e lo smaltimento dei rifiuti (Unione Europea)**

Le apparecchiature elettriche contrassegnate con il simbolo del bidone barrato non devono essere smaltite nei rifiuti domestici. Devono essere smaltite attraverso un sistema di raccolta specializzato.

Nei paesi dell'Unione Europea, i dispositivi elettrici non devono essere smaltiti insieme ai normali rifiuti domestici

(RAEE – Rifiuti di Apparecchiature Elettriche ed Elettroniche, Direttiva 2012/19/UE).

È possibile portare le apparecchiature non desiderate presso il punto di raccolta pubblico o il centro di riciclaggio più vicino, dove verranno smaltite correttamente e gratuitamente.

Smaltendo i vecchi dispositivi in modo responsabile, si contribuisce in modo importante alla salvaguardia dell'ambiente!

**Deklaracja zgodności UE**

Niniejszym firma Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY) oświadcza, że typ urządzenia radiowego: helikopter RS7 oraz dostarczone akcesoria są zgodne z Dyrektywą 2014/53/UE.

Pełny tekst deklaracji zgodności UE dostępny jest pod następującym adresem internetowym:

<https://www.goo-sky.com/Download/187121.html>

To urządzenie radiowe 2,4 GHz może być używane na terenie całej Unii Europejskiej bez wcześniejszej rejestracji lub indywidualnego zezwolenia.

**Informacja o recyklingu i utylizacji odpadów (Unia Europejska)**

Sprzęt elektryczny oznaczony symbolem przekreślonego kosza na śmieci nie może być wyrzucany do odpadów domowych. Powinien być zutylizowany w odpowiednim systemie specjalistycznej utylizacji.

W krajach Unii Europejskiej urządzenia elektryczne nie mogą być wyrzucane do zwykłych odpadów komunalnych

(WEEE – Zużyty sprzęt elektryczny i elektroniczny, Dyrektywa 2012/19/UE).

Niechciane urządzenia można oddać do najbliższego publicznego punktu zbiórki lub centrum recyklingu, gdzie zostaną odpowiednio zutylizowane bez żadnych opłat.

Odpowiedzialne pozbycie się starego sprzętu to ważny wkład w ochronę środowiska!

**Декларация соответствия ЕС**

Настоящим компания Shenzhen Goosky Innovation Technology Co., Ltd. (GOOSKY) заявляет, что тип радиооборудования: вертолет RS7 и поставляемые с ним аксессуары соответствуют Директиве 2014/53/EU.

Полный текст декларации соответствия ЕС доступен по следующему интернет-адресу:

<https://www.goo-sky.com/Download/187121.html>

Это радиоустройство 2,4 ГГц может использоваться на всей территории Европейского Союза без предварительной регистрации или индивидуального разрешения.

**Информация о переработке и утилизации отходов (Европейский союз)**

Электрическое оборудование, отмеченное символом зачёркнутого мусорного контейнера, не подлежит утилизации вместе с бытовыми отходами. Оно должно быть утилизировано через специализированную систему переработки.

В странах Европейского союза электрические устройства не подлежат утилизации через обычную бытовую систему сбора отходов (WEEE — Отходы электрического и электронного оборудования, Директива 2012/19/EU).

Вы можете сдать ненужное оборудование в ближайший общественный пункт приёма или центр переработки, где его утилизируют должным образом и бесплатно.

Ответственная утилизация старого оборудования — это важный вклад в охрану окружающей среды!
